DATE	12-06-23	
ITEM	X.3	

Date: November 20, 2023

To: Housing Authority Board of Commissioners

Subject: APPROVAL OF HUD REQUIRED AGENCY ANNUAL PLAN AND MOVING TO WORK

SUPPLEMENT FOR FISCAL YEAR ENDING MARCH 31, 2025

#### **RECOMMENDATION**

That the Commission:

- 1) Hold a public hearing and take public comment on the Housing Authority's adoption of a proposed Agency Annual Plan and Moving to Work Supplement for fiscal year ending March 31, 2025 as required by the U.S. Department of Housing and Urban Development (HUD); and
- 2) Adopt a resolution approving said Plan and Supplement and authorizing their submission to HUD along with all required certifications.

#### DISCUSSION

Section 511 of the Quality Housing and Work Responsibility Act (QHWRA), passed by the U.S. Congress in 1998, created the Public Housing Agency Plan requirement -- a Five Year Plan and an Annual Plan. Only the Annual Plan component is scheduled for approval and submission this year.

The Annual Plan component provides details about the Agency's immediate operations, participants, programs and services, as well as the Agency's strategy for addressing the low income/assisted housing needs of the community in the upcoming fiscal year. QHWRA mandates that all public housing authorities submit an Agency Annual Plan to HUD on a yearly basis using their template.

The HUD Annual Plan template allows public housing authorities (PHAs) to certify updates or changes to elements of its Plan without submitting complete Plan element information. For this Plan submission, several elements were revised from the previous Plan, and include the following:

- 1. Updated the Authority's achievements related to the goals and action steps outlined in the HUD Five Year Plan for fiscal years 2020-2025.
- 2. Revised the Housing Authority's Administrative Plan for its Section 8 Housing Choice Voucher Program. A summary of the revisions is included in Attachment A to the Plan.
- 3. Steps taken in the Authority's Diversity, Equity, and Inclusion (DEI) effort.

Additionally, in January 2022, HUD selected the Housing Authority to participate in the Landlord Incentives Cohort (Cohort 4) of the Moving to Work (MTW) Demonstration Program. As a MTW designated Housing Authority, a MTW Supplement to the Annual Plan must be submitted. The MTW Supplement is a method of communicating MTW plans with stakeholders as well as a tool used by HUD to evaluate the various activities implemented by MTW designated agencies. The supplement includes a list of all MTW incentives that the Housing Authority will be implementing within the coming year. The Housing Authority began implementation of all outlined MTW incentives effective April 1, 2023.

The proposed Annual Plan was drafted after gathering and reviewing the necessary data to identify the various housing needs of our applicants and low-income families in the community and then determining the best approaches for meeting those needs. The Plan was available to be reviewed by the public for a minimum of 45 days prior to the December 6, 2023 public hearing. The Resident Advisory Board (RAB) also reviewed the Plan in November during an in-person meeting. There were no comments received from the public or the RAB on the Plan.

Resolution No
RESOLUTION OF THE HOUSING AUTHORITY OF THE CITY OF SANTA BARBARA APPROVING THE AUTHORITY'S ANNUAL PLAN AND THE MOVING TO WORK SUPPLEMENT FOR THE ANNUAL PLAN FOR FISCAL YEAR ENDING MARCH 31, 2025 AS REQUIRED BY THE QUALITY HOUSING AND WORK RESPONSIBILITY ACT OF 1998
WHEREAS, the Quality Housing and Work Responsibility Act (QHWRA), passed by the U.S. Congress and signed into law by the President in October of 1998 requires local housing authorities to prepare and submit to the U.S. Department of Housing and Urban Development (HUD) an Annual Plan every year;
WHEREAS, public housing authorities admitted into the Moving To Work (MTW) Demonstration Program must prepare and submit to HUD a MTW Supplement to the Annual PHA Plan (Supplement), pursuant to Section 239 of the Fiscal Year 2016 Appropriations Act, P.L. 114-113 (2016 MTW Expansion Statute);
WHEREAS, prior to the submittal of said Plan and Supplement, the Housing Authority Commission is to hold a public hearing and take public comment on the Plan and Supplement prior to approving said Plan and Supplement; and
WHEREAS, the Housing Authority Commission has held the required public hearing and conducted the necessary review and, if appropriate, adjusted the Authority's Annual Plan and Supplement.
NOW, THEREFORE, BE IT RESOLVED BY THE HOUSING AUTHORITY OF THE CITY OF SANTA BARBARA AS FOLLOWS:
1. That the Authority was selected to participate in the Landlord Incentives Cohort of the Moving to Work Demonstration Program and began implementation effective April 1, 2023.
2. That the Authority's Agency Plan consisting of an Annual Plan and Supplement for Fiscal Year Ending March 31, 2025, a copy of which is attached hereto as Exhibit A and incorporated herein by reference, is hereby approved and its submission to HUD is hereby authorized.

4. That the foregoing Resolution No was adopted by the Housing Authority of the City of Santa Barbara at a regular meeting of said Authority held on December 6, 2023 at 4:00 p.m. by the following vote.

The Housing Authority continues to actively apply for new funding streams of Voucher assistance when notifications of available funding are issued. A total of 89 Emergency Housing Vouchers (EHVs), and subsequent 25, were distributed to this Housing Authority and working in partnership with the County of Santa Barbara Housing Authority, we initiated the following incentives: \$1,500 as a signing bonus, \$2,000 security deposit assistance and \$2,000 mitigation insurance fund.

Safety and Crime Prevention - A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

The Housing Authority adopted its Violence Against Women Act (VAWA) policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights and protections under VAWA. Information regarding VAWA is posted in the Housing Authority's offices, on the agency website and copies are made available to all Housing Authority program applicants and participants. Additionally, clients are information of the National Domestic Violence Hot Line and contact information for local victim advocacy groups or service providers.

The Housing Authority provides all participants with information outlining their rights under VAWA at the time of admission. HACSB will also include information about VAWA in all notices of termination of assistance. The PHA will further provide information about VAWA to any applicant or participant who has possible domestic violence activity, police activity involving a domestic disturbance, other domestic disturbances, restraining orders, or related activity, prior to interviewing or questioning an applicant or participant about the related activity. If in the normal course of interviewing or questioning of police activity, disturbances or criminal activity it is revealed that there is a possible incident or activity related to a domestic disturbance, interviewing or questioning will temporarily stop, and the applicant or participant will be informed of their rights under VAWA before the interviewing or questioning resumes.

Whenever Housing Authority staff has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, staff will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. When discussing VAWA with the victim, the Housing Authority staff will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room. The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

The Housing Authority also provides owners and managers with information about their rights and obligations under VAWA when they begin their participation in the HCV program.

All information provided to the Housing Authority regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, is retained in confidence by staff.

 $\textbf{\textit{Substantial Deviation -} PHA \textit{ must provide its criteria for determining a "substantial deviation" to its 5-Year \textit{Plan}.}$ 

The Housing Authority defines significant changes to the Agency Plan to be:

- Changes to tenant/resident admissions policies;
- Changes to the termination policy;
- Changes to the tenant/resident screening policy;
- · Changes to rent policies; and
- Changes to the organization of the waiting list.
- (c) The PHA must submit its Deconcentration Policy for Field Office Review.

HACSB upgraded its software platform recently, allowing for a more user-friendly, accessible on-line application process. In addition, HACSB continues to offer application assistance and paper application accommodations. HACSB has established annual admissions goals for the Voucher program, which includes provisions for deconcentration of poverty and income mixing. These admission goals conform to HUD guidelines for new admissions and include targeting of extremely low-income families.

HACSB's entire public housing portfolio was repositioned through RAD, therefore, only centralized Housing Choice Voucher (HCV) waiting lists and certain project specific Project Based Voucher program waiting lists are maintained. For the HCV program, HACSB utilizes two separate waiting lists: Tenant-Based and Project-Based.

Waiting lists use pertinent applicant information, such as date and time of application, local ranking preferences (Veteran, living or working locally, involuntary displacement, special needs referrals) and income category to appropriately determine waiting list position. Waiting lists are updated and purged regularly in order to maintain an accurate record of the households requesting housing assistance. An applicant household determined ineligible is notified promptly in writing of the determination and informed of the right to an informal review.

The Housing Authority continues to implement landlord incentives that have been extremely effective in attracting property owners and managers to the Section 8 program. The incentives include: vacancy loss payments; signing bonus of \$500 for new landlords; landlord referral bonus of \$100; unit damage protection reimbursement of up to \$2,000 for unpaid damages; owner requested inspections initiated by health & safety concerns; online portal providing landlords and managers with access to Housing Assistance Payment records; Security Deposit Loans; and Supportive Services referrals. As noted above, with the provision of Emergency Housing Vouchers, HACSB added the following incentives: \$1,500 as a signing bonus, \$2,000 security deposit assistance and \$2,000 mitigation insurance fund in partnership with the County of Santa Barbara Housing Authority.

The Housing Authority continues to monitor the need to supplement its Security Deposit Loan Program (established in 2006) for Housing Authority Section 8 voucher holders who need assistance with the security deposit when renting a unit from a landlord within our jurisdiction (South Coast region of Santa Barbara County), which has eased a significant barrier to voucher holders.

The Housing Authority has engaged the University of California Santa Barbara (UCSB) to generate an updated countywide rental market survey. The resulting data will be submitted to HUD for re-evaluation of Santa Barbara County's Fair Market Rents. Additionally, we are setting our payment standards at 120% of the Fair Markets as allowed under our approved MTW plan. These actions will result in higher Payment Standards allowing Voucher holders to move into higher opportunity areas.

Effective April 1, 2023, HACSB officially began operating as a HUD Moving To Work (MTW) designated agency. The Section 8 Housing Choice Voucher Administrative Plan required updates to correspond to these HUD approved MTW flexibilities, as well as other revisions. A copy of the revised Administrative Plan is provided in conjunction with the Annual PHA Plan (Attachment A).

Revisions to the Housing Choice Voucher Administrative Plan include:

- Chapter 1: Overview of the Program and Plan A description of MTW and the Housing Authority designation as a MTW agency.
- Chapter 6: Income The MTW flexibility of increasing the HUD standard medical and childcare expenses. Likewise, the policies for eliminating itemized deductions for out of pocket medical and disability related expenses, as well as the elimination of utility allowance reimbursement payments have been added to this chapter.
- Policy wide Changes: References to regulatory citations have been updated as necessary and wording has been added or removed as
  necessary to clarify policy and procedure. Use of the pronouns his or hers and he and she have been changed throughout the policy to
  theirs, they, or them.
- Chapter 3: Eligibility The required use of HUD Enterprise Income Verification (EIV) online systems in eligibility determinations has
  been added to this chapter. The Housing Authority's policies about determinations of program ineligibility based on information
  obtained from EIV have also been added. Updated regulatory guidance for the use of criminal activity in denying eligibility has been
  added. Public Housing Authorities are not able to use arrest records as the basis for denial of admission to the Section 8 program.
- Chapter 4: Applications The Single, Non-Elderly, Non-Disabled preference was removed. Historically this preference applied negative points to an applicant on the waitlist if that applicant was a single member household, who was not a senior or disabled, to rank them at the bottom of the Section 8 waitlist. The new software accomplishes this ranking without a point value, and this has been indicated in this chapter.
- Chapter 5: Briefings Housing Authority policy and regulation regarding conducting remote briefings.
- Chapter 10: Moving with Continued Assistance and Portability Reference to policies regarding portability and special purpose
  vouchers have been removed from this chapter and placed in a dedicated chapter. Clarifications as to Portability functions and
  whether they are the role of the initial or receiving PHA (Public Housing Authority) have been added throughout his chapter.
- Chapter 11: Reexaminations Updated regulation regarding approval of new household members and the corresponding Housing Authority Policy was added.
- Chapter 13: Owner Statute limitations as to amounts paid out under the various landlord incentives has been added. Units exempt from landlord incentives have also been added.

- Chapter 15: Special Housing Types The differing requirements between unit types designated as "Special Housing Types" has been
- Chapter 16: Program Administration Policies regarding scheduling and conducting remote informal reviews and hearings have been added.
- Chapter 17: Project Based Vouchers To reduce the burden of waitlist administration for the Project Based Voucher (PBV) program, additional property specific waitlists have been added for properties where the waitlist is referral based. MTW flexibilities in relation to awarding PBV has been added.
- Chapter 18: Project Based Voucher RAD (Rental Assistance Demonstration program) Clarification was added that PBV RAD tenants have the option of moving with continued voucher assistance after a year of tenancy in a RAD unit. Reference to the waitlist organization and preferences has been removed as it is a repeat of what was listed in chapter 17.
- Chapter 19: Special Purpose Vouchers This is a new chapter. This chapter outlines those HUD vouchers which target specific populations. The chapter includes an overview of each program and any program specific requirements and statutory exceptions.

#### **B.2** New Activities.

(a)	Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?
Y	N

☐ Mope VI or Choice Neighborhoods. Mixed Finance Modernization or Development.

☐ Demolition and/or Disposition.

Conversion of Public Housing to Tenant Based Assistance.

Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.

Project Based Vouchers.

Units with Approved Vacancies for Modernization.

Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

Mixed Finance Modernization or Development: 1) A description of any housing (including name, project number (if known) and unit count) for which the PHA will apply for Mixed Finance Modernization or Development; and 2) A timetable for the submission of applications or proposals.

The Housing Authority of the City of Santa Barbara made a request to HUD for modification of the RAD Use Agreement for one of its former Public Housing family developments, Monteria Village. The appeal to allow re-development of this 28-unit development into a new 52-unit apartment complex, despite the RAD Use Agreement limits encumbering or conveying the property until the 10-year anniversary of the HAP Contract, was made due to its need for upgraded infrastructure and the pressing demand for affordable housing. HUD's allowing HACSB to pursue its development plans at this site, and others, will provide desperately needed affordable housing for low-income households. On July 18th, 2022, HACSB received conditional approval from HUD of plans to redevelop the property, subject to HUD's review of a number of items as we complete our design and financing plans. Once all plans are vetted and approved, HACSB intends to apply for Low Income Housing Tax Credits as the primary means of financing the redevelopment.

Additionally, the HACSB will continue to seek other redevelopment opportunities on former public housing properties in order to create additional affordable housing to meet the local housing crisis. HACSB has 180 Faircloth units available as a result of a Section 18 Disposition several years ago. These "Faircloth" units will enable the agency to take advantage of available federal HUD funds for development of 180 additional units with said funds and then utilizing the Rental Assistance Demonstration (RAD) program to convert the units to a Section 8 funding platform. HACSB will further evaluate and possibly make use of this HUD approved program known as "Faircloth-to-RAD".

#### Project Based Vouchers - Describe any plans to use HCVs for new project-based vouchers.

HACSB plans to fully maximize the allowed threshold of Project Based Vouchers under HR3700 (HOTMA). Currently, the Housing Authority has 442 PBVs allocated and/or utilized (as noted in table below), which is 15% of the total 3,035 Housing Choice Voucher Allocation. Additionally, HACSB, under its MTW Supplemental plan intends to apply for a waiver allowing for additional PBV allocations above the total 30% CAP - with a requested waiver allowing for a 50% total PBV Cap.

#### B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

#### GOAL I: CREATE AND PRESERVE QUALITY AFFORDABLE HOUSING OPPORTUNITIES FOR THE COMMUNITY.

The Housing Authority has made progress in meeting this goal within the last fiscal year. The following are excellent examples of how HACSB is preserving and creating quality affordable housing for the community.

- 116 E. Cota St. (28 units) In 2020 the Housing Authority purchased a .25 acre vacant parcel of land with pre-approved plans, which was then redesigned into housing for persons coming out of homelessness. The Housing Authority was awarded financing for the construction of the building through the 9% Low Income Housing Tax Credit program and has been granted use of Project-Based Section 8 Vouchers for all resident units. Construction began in late 2021 and was completed August of 2023.
- 821 State St. (14 units) This downtown corridor property was transferred to the Housing Authority's affiliate non-profit, 2<sup>nd</sup> Story Associates, in order to develop mixed use, affordable housing for downtown workforce. HACSB took over as developer and the property is due to open in December, 2023.
- In 2019, the Housing Authority purchased a 1.6 acre property currently used as professional office space, and continues to move forward with plans for a 48 unit affordable housing development for families. The Housing Authority will apply for funding through the Low Income Housing Tax Credit program, and the project will utilize 100% project-based voucher assistance.
- 400 W. Carrillo St. (63 units) For the last few years, Housing Authority staff has been working with the City of Santa Barbara to identify underutilized, City-owned surface parking lots with the intent to develop affordable housing. A 1.1 acre lot was identified and HACSB has continued to work with City staff the past few years to obtain funding and approved plans for an affordable housing development at this site. Santa Barbara City Council approved an agreement for the Housing Authority to use the site to develop affordable housing, which was subsequently approved by HACSB's Board of Commissioners. This will be the first missing middle development, in partnership with the City and a private investor.
- 915 E. Montecito St. (40-45 units) The Housing Authority has been working with the Santa Barbara Unified School District to build
  affordable housing for District employees on underutilized school property, and has identified a vacant school site where it is
  estimated development of 40-45 family units is possible.
- 3883 La Cumbre Plaza Ln (12-30 units) The Housing Authority hopes to build affordable rental housing for seniors on this site which is currently privately owned, but expected to transfer to HACSB in the near future.

The Housing Authority has also continued to look for ways to meet community housing needs through various innovate or non-traditional housing programs or initiatives. This includes redevelopment of existing Housing Authority owned properties:

• 512-524 W. Montecito St., et al. (~49 units) - The Housing Authority is proposing to perform a much-needed redevelopment of this former Public Housing property, now privately owned by Santa Barbara Affordable Housing Group, an instrumentality of the Housing Authority, after the RAD conversion. This large family complex was built in 1973, and despite the capital needs being addressed as required by the Property Needs Assessment, itis tired and several of its building systems are approaching the end of their useful life. We believe that the best course of action is to commence a complete redevelopment plan for the property by utilizing Low Income Housing Tax Credit program financing, and we have formally requested HUD's approval to do so.

• 721 Laguna St., et al. (~200+ units) - Developed in 1977 as one of the first federal public housing projects in Santa Barbara, it currently has 122 units on 4.7 acres. The Housing Authority envisions a long term plan to redevelop this property into a higher density use, accomplished in phases over several years.

The Housing Authority continues to actively apply for new funding streams of Voucher assistance when notices of funding availability are issued. A total of 215 Emergency Housing Vouchers were distributed to this Housing Authority and the Housing Authority of the County of Santa Barbara. The two housing authorities entered into an MOU to collaborate with the Continuum of Care Program (CoC) and the County of Santa Barbara to lease up the EHV's. HACSB was allocated 89 of these EHVs, then an additional 25. The County and City housing authorities utilized the following as incentives: \$10,000 on a media campaign to provide incentives to attract landlords to the program; \$1,500 as a signing bonus; \$2,000 security deposit assistance; and \$2,000 mitigation insurance fund.

The Housing Authority applied for, and was awarded, Moving to Work program status for Cohort 4 – Landlord Incentives through HUD's Moving to Work Expansion program and effective April 1, 2023, HACSB has been successfully integrating landlord incentives into our Section 8 program such as vacancy payments, landlord protection funds to cover move out costs, and alternative inspection schedules, and the selection as an MTW agency will allow us to expand on these successes and exercise administrative flexibilities to respond to the unique needs of our community.

# GOAL II: MAINTAIN AGENCY'S STRONG FINANCIAL POSITION AND ABILITY TO RESPOND TO ECONOMIC CONDITIONS

Through prudent efforts in obtaining development fees, HACSB has set our agency's financial position on sound footing. HACSB is continually in the process of seeking out other revenue sources to sustain and develop new housing programs.

The Housing Authority additionally continues to maintain a healthy economic mix of low-income residents in various housing programs, including work force individuals and families. HACSB adopted a policy for our Non-HUD program allowing our agency to serve working families and individuals earning up to 160% AMI.

# GOAL III: ENCOURAGE CLIENT STABILITY AND UPWARD MOBILITY THROUGH COMMUNITY BUILDING, ENGAGEMENT AND PARTNERSHIPS

The Housing Authority continues to actively promote and augment its Resident Services programs each year. Programs and events promoting self-sufficiency, higher education, community resources and family support have been added regularly to HACSB's offerings to participant families.

Additionally, HACSB continues its vital partnerships with community agencies to offer counseling, case management, referrals for health care needs, etc. to participant seniors, families and disabled individuals.

The Housing Authority, through its affiliate non-profit, was awarded \$100,000 to administer a senior supportive services program in partnership with a local neighborhood health clinic. The program was completed and funded a dedicated team to work onsite at over six of the HACSB's senior housing developments, coordinating and providing medical and mental health assessments, health screenings and medical case management.

The Housing Authority's GRAD program supports low-income youth interested in gaining skills necessary to enter the job market through partnerships with local employers for internships. As a result of the COVID-19 pandemic, the Housing Authority suspended most in-person programming, and GRAD Academy services were impacted considerably. Given the importance of these after-school center operations, particularly at a time when students are facing substantial learning loss, last fiscal year the Housing Authority partnered with United Way of Santa Barbara County for the administration of this program. This partnership has been extremely successful in the implementation of the after-school programs. The Housing Management Department and Resident Services will continue to develop concrete metrics to measure the effects of our programs and services.

The Housing Authority continues to partner with Foodbank to distribute fresh produce and essential foods, as well as impart nutrition knowledge, and education for children, families and seniors.

#### GOAL IV: FOSTER A CULTURE OF EXCELLENCE AND INNOVATION IN OUR WORK ENVIRONMENT

One of the action steps of this goal is maximizing the use of technology for innovation, efficiencies and increased security. This includes researching software systems that better integrate various programs and meet the needs of all departments' requirements. Last fiscal year, after thorough research, the Housing Authority contracted with a software company for a new business management system due to its currently system becoming deficient and antiquated, and our need for efficient interface enabling landlord, applicant, vendor and resident online portals for information exchange that allows staff to quickly and accurately process information. The roll out of the new system began this fiscal year and will take several more months to complete.

HACSB has maximized its use of technology for innovation and efficiencies through creation of a user-friendly website. Access to information and the application process continues to be evaluated and enhanced as needed. Staff ensures information on our website is up-to-date, accessible and relevant.

HACSB has increased its use of social media to outreach and promote its program and successes to the community. Availability of training is ongoing and several times a year staff attend job-related training at the local community college, such as computer efficiency. Additionally, staff regularly participates in training on a variety of topics including Fair Housing, Harassment, Safe Driving, Domestic Violence, Housing Quality

Standards, Leadership Development, Rent Calculation and Low-Income Housing Tax Credit program compliance and financing. During the COVID restrictions, online training has been utilized. Twice a year HACSB gathers staff together to re-evaluate process, progress and our core values of compassion, commitment, cooperation, competence and communication. This fiscal year all staff gathered to discuss and plan out our next 5 year Action Plan, along with a separate retreat with our Board of Commissioners. The Housing Authority has made the commitment to being a workplace that embraces Diversity, Equity, and Inclusion (DEI) and has begun steps toward organization-wide efforts. The Housing Authority has been working with DEI consultants to assist staff and the Board with creating a DEI strategic plan, and more importantly, cultivate diversity, equity and inclusion into daily operations and core values of the organization. The Housing Authority is establishing short and long term goals, but actions have included conducting listening sessions with a cross-section of staff representing all departments, locations, and roles; and conducting an organization-wide survey based on DEI research and priorities around best practices. These have served as a means to identify areas for change, opportunity and, importantly, to acknowledge and recognize efforts already being well done, and will be repeated to track progress and accountability. Along with consultants, staff will also be reviewing and interpreting available demographic data for HACSB in relation to its workforce and the communities served. **GOAL V: PROMOTE SUSTAINABLE PRACTICES** Housing Authority staff continue to represent HACSB on several task forces, boards and commissions in the community in order to promote a positive image and increase involvement in community issues. Conservation, recycling and use of recycled materials in construction related activities continues to be encouraged with contractors, residents and vendors. Energy efficient hybrid vehicles continue to replace gas-powered vehicles upon turnover of HACSB automobiles. GOAL VI: CONTINUE TO STRENGTHEN RELATIONSHIP WITH CITY TO FURTHER HACSB'S ROLE AS THE CITY'S AFFORDABLE HOUSING ARM Housing Authority staff continues to work closely with City of Santa Barbara staff on the City's annual Consolidated Plan and Housing Element updates to ensure affordable housing elements are in line with policy. Since 2018, Housing Authority staff has been working with the City on exploring the possibility of developing rental housing on City-owned surface parking lots. In 2019, the Santa Barbara City Council provided approval for Housing Authority and City staff to determine the feasibility of developing rental housing on a specific, underutilized commuter lot, and in 2020, a Memorandum of Understanding was executed between the City and the Housing Authority to memorialize this intent. In September of 2021, the Housing Authority entered into a Project Agreement with the City allowing the Housing Authority to move forward with affordable housing development plans for the site. The Housing Authority will continue to work with City staff and hopefully in the near future, reach the goal of obtaining funding and approved plans for an affordable housing development at this site. **B.4.** Capital Improvements. B.3	<b>Progress Report.</b> For all Annual Plans following submission of the first Annual Plan, a PHA must include a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year PHA Plan. (24 CFR §903.7(r)(1))

- B.4 Capital Improvements. PHAs that receive funding from the Capital Fund Program (CFP) must complete this section. (24 CFR §903.7 (g)). To comply with this requirement, the PHA must reference the most recent HUD approved Capital Fund 5 Year Action Plan in EPIC and the date that it was approved. PHAs can reference the form by including the following language in the Capital Improvement section of the appropriate Annual or Streamlined PHA Plan Template: "See Capital Fund 5 Year Action Plan in EPIC approved by HUD on XX/XX/XXXX."
- **B.5 Most Recent Fiscal Year Audit.** If the results of the most recent fiscal year audit for the PHA included any findings, mark "yes" and describe those findings in the space provided. (24 CFR §903.7(p))

#### C. Other Document and/or Certification Requirements

- C.1 Resident Advisory Board (RAB) comments. If the RAB had comments on the annual plan, mark "yes," submit the comments as an attachment to the Plan and describe the analysis of the comments and the PHA's decision made on these recommendations. (24 CFR §903.13(c), 24 CFR §903.19)
- C.2 Certification by State of Local Officials. Form HUD-50077-SL, Certification by State or Local Officials of PHA Plans Consistency with the Consolidated Plan, must be submitted by the PHA as an electronic attachment to the PHA Plan. (24 CFR §903.15). Note: A PHA may request to change its fiscal year to better coordinate its planning with planning done under the Consolidated Plan process by State or local officials as applicable.
- C.3 Civil Rights Certification/ Certification Listing Policies and Programs that the PHA has Revised since Submission of its Last Annual Plan. Provide a certification that the following plan elements have been revised, provided to the RAB for comment before implementation, approved by the PHA board, and made available for review and inspection by the public. This requirement is satisfied by completing and submitting form HUD-50077 ST-HCV-HP, PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed. Form HUD-50077-ST-HCV-HP, PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154; or 24 CFR 5.160(a)(3) as applicable (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations. impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. (24 CFR §903.7(o)).
- C.4 Challenged Elements. If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

#### D. Affirmatively Furthering Fair Housing.

#### D.1 Affirmatively Furthering Fair Housing.

The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) .... Strategies and actions must affirmatively further fair housing ...." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year and Annual PHA Plan. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low-income, very low-income, and extremely low-income families.

Public reporting burden for this information collection is estimated to average 7.02 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

SUMMARY OF CHANGES TO THE SECTION 8 ADMINISTRATIVE PLAN FOR THE HOUSING CHOICE VOUCHER PROGRAM

## Summary of Changes:

Revisions to the Housing Choice Voucher Administrative Plan include:

- Chapter 1: Overview of the Program and Plan A description of MTW and the Housing Authority designation as a MTW agency.
- Chapter 6: Income The MTW flexibility of increasing the HUD standard medical and childcare
  expenses. Likewise, the policies for eliminating itemized deductions for out of pocket medical
  and disability related expenses, as well as the elimination of utility allowance reimbursement
  payments have been added to this chapter.
- Chapter 3: Eligibility The required use of HUD Enterprise Income Verification (EIV) online
  systems in eligibility determinations has been added to this chapter. The Housing Authority's
  policies about determinations of program ineligibility based on information obtained from EIV
  have also been added. Updated regulatory guidance for the use of criminal activity in denying
  eligibility has been added. Public Housing Authorities are not able to use arrest records as the
  basis for denial of admission to the Section 8 program.
- Chapter 4: Applications The Single, Non-Elderly, Non-Disabled preference was removed.
   Historically this preference applied negative points to an applicant on the waitlist if that applicant was a single member household, who was not a senior or disabled, to rank them at the bottom of the Section 8 waitlist. The new software accomplishes this ranking without a point value, and this has been indicated in this chapter.
- Chapter 5: Briefings Housing Authority policy and regulation regarding conducting remote briefings.
- Chapter 10: Moving with Continued Assistance and Portability Reference to policies regarding
  portability and special purpose vouchers have been removed from this chapter and placed in a
  dedicated chapter. Clarifications as to Portability functions and whether they are the role of the
  initial or receiving PHA (Public Housing Authority) have been added throughout his chapter.
- Chapter 11: Reexaminations Updated regulation regarding approval of new household members and the corresponding Housing Authority Policy was added.
- Chapter 13: Owner Statute limitations as to amounts paid out under the various landlord incentives has been added. Units exempt from landlord incentives have also been added.
- Chapter 15: Special Housing Types The differing requirements between unit types designated as "Special Housing Types" has been added.
- Chapter 16: Program Administration Policies regarding scheduling and conducting remote informal reviews and hearings have been added.
- Chapter 17: Project Based Vouchers To reduce the burden of waitlist administration for the Project Based Voucher (PBV) program, additional property specific waitlists have been added for properties where the waitlist is referral based. MTW flexibilities in relation to awarding PBV has been added.
- Chapter 18: Project Based Voucher RAD (Rental Assistance Demonstration program) –
   Clarification was added that PBV RAD tenants have the option of moving with continued voucher
   assistance after a year of tenancy in a RAD unit. Reference to the waitlist organization and
   preferences has been removed as it is a repeat of what was listed in chapter 17.
- Chapter 19: Special Purpose Vouchers This is a new chapter. This chapter outlines those HUD vouchers which target specific populations. The chapter includes an overview of each program and any program specific requirements and statutory exceptions.
- Policy wide Changes: References to regulatory citations have been updated as necessary and wording has been added or removed as necessary to clarify policy and procedure. Use of the pronouns his or hers and he and she have been changed throughout the policy to theirs, they, or them.

# The Governing Body of Housing Authority of the City of Santa Barbara

#### **Auditors' Communication with Those Charged with Governance**

We have audited the financial statements of Housing Authority of the City of Santa Barbara (the Authority) as of and for the year ended March 31, 2023, and have issued our report thereon dated August 30, 2023. Professional standards require that we advise you of the following matters relating to our audit.

#### Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter, our responsibility, as described by professional standards, is to form and express an opinion(s) about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Authority solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

#### Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

#### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

#### **Significant Risks Identified**

In planning and performing the audit we obtained an understanding of the entity and its environment for the purpose of identifying and assessing the risks of material misstatement as a basis for designing and performing further audit procedures. Certain risks are considered inherent and significant to performing the audit. Those risks and a description of the risk are as follows:

- The risk that management will override internal controls.
  - Because management is primarily responsible for the design, implementation, and maintenance of
    internal control, the entity is always exposed to the danger of management override of controls,
    whether the entity is publicly held, private, not-for-profit, or governmental. When the opportunity to
    override internal control is combined with powerful incentives to meet accounting objectives, senior
    management may engage in fraudulent financial reporting. Thus, otherwise effective internal control
    cannot be relied upon to prevent, detect, or deter fraudulent financial reporting perpetrated by senior
    management.
- The risk that management will recognize revenue that has not been earned in accordance with GAAP.
  - Because management is responsible for meeting financial goals and the consequences to management
    for failing to meet financial goals can be significant, incentives or pressure to commit fraudulent
    financial reporting may exist when management is under pressure, from sources outside or inside the
    entity.
- The risk that management will not properly implement new accounting standard GASB 87 Leases.
  - GASB 87 fundamentally change how government entities must account for lease transactions. The risk of failing to implement or management implementation not meeting the GASB standards.

#### **Qualitative Aspects of the Entity's Significant Accounting Practices**

#### Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Authority is included in the notes to the financial statements. As described in the Notes to the Financial Statements, during the year, the entity changed its method of accounting for leases by adopting Governmental Accounting Standards Board (GASB) Statement No. 87 Lease. Accordingly, the cumulative effect of the accounting change as of the beginning of the year has been reported in the Statement of Activities. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are described below:

- Management's estimate of the useful lives of capital assets is based on industry benchmarks and grant guidance.
   We evaluated the key factors and assumptions used to develop the useful lives of capital assets and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.
- Management's estimate of the net OPEB liability and the related deferred inflow of resources and deferred
  outflow of resources is based actuarily study and report. We evaluated the key factors and assumptions used to
  develop the of the net OPEB liability and the related deferred inflow of resources and deferred outflow of
  resources and determined that it is reasonable in relation to the basic financial statements taken as a whole and
  in relation to the applicable opinion units.

#### Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Authority's financial statements relate to:

- Capital Assets.
- Net OPEB Liability.

#### **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. The following significant unusual transactions identified as a result of our audit procedures were brought to the attention of management:

We noted no transactions involving complex accounting treatments and regulations, unusually large discounts
or returns, circular arrangements, that occurred under contracts whose terms changed before expiration or
involved a purpose outside the normal course of business.

#### **Identified or Suspected Fraud**

We have identified or have obtained information that indicates that the following fraud may have occurred:

No events or conditions were identified or communicated to us that fraud may have occurred.

#### Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

#### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has corrected all identified misstatements. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole or applicable opinion units.

See Adjusting Journal Entry Report.

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Authority's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

#### Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report:

None

#### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated August 30, 2023.

#### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

#### Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Authority, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Authority's auditors.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the individuals charged with governance, and management of the Authority and is not intended to be and should not be used by anyone other than these specified parties.

# HOUSING AUTHORITY OF THE CITY OF SANTA BARBARA MANAGEMENT REPRESENTATION LETTER

Smith Marion & Co. 4068 Rural Plains Circle STE 180 Franklin, TN. 37064

Ladies and Gentlemen,

This representation letter is provided in connection with your audit of the financial statements of Housing Authority of the City of Santa Barbara, which comprise the statement of financial position as of March 31, 2023, and the related statements of operations and cash flows for the year then ended, and the related notes to financial statements, for the purpose of expressing an opinion on whether the financial statements of the various opinion units are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

#### **Financial Statements**

#### Information Provided

- 26. We have provided you with:
  - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements of the various opinion units referred to above, such as records, documentation, meeting minutes, and other matters;
  - b. Additional information that you have requested from us for the purpose of the audit; and
  - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- 27. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 28. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 29. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
  - a. Management;
  - Employees who have significant roles in internal control; or
  - c. Others where the fraud could have a material effect on the financial statements.
- 30. We have no knowledge of any instances, that have occurred or are likely to have occurred, of fraud and noncompliance with provisions of laws and regulations that have a material effect on the financial statements or other financial data significant to the audit objectives, and any other instances that warrant the attention of those charged with governance, whether communicated by employees, former employees, vendors (contractors), regulators, or others.
- 31. - 39. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in accounting, internal control, or financial reporting practices.
- 40. Housing Authority of the City of Santa Barbara has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- 41. We have disclosed to you all guarantees, whether written or oral, under which Housing Authority of the City of Santa Barbara is contingently liable.
- 42. We have identified and disclosed to you the laws, regulations, and provisions of contracts and grant agreements that could have a direct and material effect on financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.

#### 43. There are no:

- a. Violations or possible violations of laws or regulations, or provisions of contracts or grant agreements whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, including applicable budget laws and regulations.
- b. Unasserted claims or assessments that our lawyer has advised are probable of assertion and must be disclosed in accordance with GASB-62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements.
- c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB-62.
- 44. Housing Authority of the City of Santa Barbara has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset or future revenue been pledged as collateral, except as disclosed to you.
- 45. We have complied with all aspects of grant agreements and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 46. We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed in accordance with GASB-62. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.

#### **Single Audit**

- 47. With respect to federal awards, we represent the following to you:
  - a. We are responsible for understanding and complying with and have complied with the requirements of the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), as applicable.
  - b. We are responsible for the preparation and presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance.
  - c. We believe the schedule of expenditures of federal awards, including its form and content, is fairly presented in accordance with the Uniform Guidance.
  - d. The methods of measurement or presentation have not changed from those used in the prior period.
  - e. We are responsible for including the auditor's report on the schedule of expenditures of federal awards in any document that contains the schedule and that indicates that the auditor has reported on such information.
  - f. We have notified you of federal awards and funding increments that were received before December 26, 2014 and differentiated those awards from awards and funding increments received on or after December 26, 2014, and subject to the audit requirements of the Uniform Guidance.
  - g. When the schedule of expenditures of federal awards is not presented with the audited financial statements, management will make the audited financial statements readily available to the intended users of the schedule of expenditures of federal awards no later than the date of issuance by the entity of the schedule of expenditures of federal awards and the auditor's report thereon.
  - h. We have, in accordance with the Uniform Guidance<sup>10</sup>, identified in the schedule of expenditures of federal awards, expenditures made during the audit period for all awards provided by federal agencies in the form of grants, federal cost-reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, food commodities, direct appropriations, and other assistance.

- We are responsible for complying with the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal programs and have identified and disclosed to you the requirements of laws, regulations, and the provisions of contracts and grant agreements that are considered to have a direct and material effect on each major federal program; and we have complied, in all material respects, with these requirements.
- j. We have provided to you our interpretations of any compliance requirements that have varying interpretations.
- k. We are responsible for establishing and maintaining effective internal control over compliance requirements applicable to federal programs that provide reasonable assurance that we are managing our federal awards in compliance with laws, regulations, and the provisions of contracts and grant agreements that could have a material effect on our federal programs. Also, no changes have been made in the internal control system to the date of this letter that might significantly affect internal control, including any corrective action taken with regard to significant deficiencies, including material weaknesses, reported in the schedule of findings and questioned costs.
- I. We have made available to you all contracts and grant agreements (including amendments, if any) and any other correspondence with federal agencies or pass-through entities relating to federal programs.
- m. We have received no requests from a federal agency to audit one or more specific programs as a major program.
- n. We have identified and disclosed to you all amounts questioned and any known noncompliance with the requirements of federal awards, including the results of other audits or program reviews. We also know of no instances of noncompliance occurring subsequent to the end of the period audited.
- We have charged costs to federal awards in accordance with applicable cost principles, including amounts claimed or used for matching determined in accordance with relevant guidelines in the Uniform Guidance (for grant awards and funding increments received before December 26, 2014).
- p. We have made available to you all documentation related to the compliance requirements, including information related to federal program financial reports and claims for advances and reimbursements.
- q. Federal program financial reports and claims for advances and reimbursements are supported by the books and records from which the basic financial statements have been prepared (and are prepared on a basis consistent with the schedule of expenditures of federal awards).
- r. The copies of federal program financial reports provided to you are true copies of the reports submitted, or electronically transmitted, to the respective federal agency or pass-through entity, as applicable.
- s. We have properly classified amounts claimed or used for matching in accordance with related guidelines in the Uniform Guidance (for grant awards and funding increments received before December 26, 2014).
- t. We have charged costs to federal awards in accordance with the provisions of the Uniform Guidance (for grant awards and funding increments received before December 26, 2014), as applicable.
- u. We are responsible for and have accurately prepared the summary schedule of prior audit findings, and we have provided you with all information on the status of the follow-up on prior audit findings by federal awarding agencies and pass-through entities, including all management decisions.
- v. We have disclosed to you the findings received and related corrective actions taken for previous audits, attestation engagements, and internal or external monitoring that directly relate to the objectives of the compliance audit, including findings received and corrective actions taken from the end of the period covered by the compliance audit to the date of the auditor's report.
- w. We are responsible for and have accurately completed the appropriate sections of the Data Collection Form as required by the Uniform Guidance, and we are responsible for preparing and implementing a correction action plan for each audit finding.
- x. We have disclosed all contracts or other agreements with service organizations and disclosed to you all communications from these service organizations relating to noncompliance at the organizations.

- y. We have reviewed, approved, and taken responsibility for the financial statements and related notes and an acknowledgment of the auditor's role in the preparation of this information. (This representation is required by footnote 28 to paragraph 3.18 of *Government Auditing Standards* when the auditor has a role in preparing the trial balance and draft financial statements and related notes.)
- z. We have reviewed, approved, and taken responsibility for accrual adjustments and an acknowledgment of the auditor's role in the preparation of the adjustments. (This representation is required by footnote 28 to paragraph 3.18 of *Government Auditing Standards* when the auditor has a role in converting cash-basis financial statements to accrual-based financial statements.)
- aa. We have disclosed to you the nature of any subsequent events that provide additional evidence with respect to conditions that existed at the end of the reporting period that affect noncompliance during the reporting period.

#### Supplementary Information in Relation to the Financial Statements as a Whole

With respect to the supplementary information accompanying the financial statements (as listed in the table of contents):

- a. We acknowledge our responsibility for the presentation of the supplementary information in accordance with accounting principles generally accepted in the United States of America, U.S. GASB, and other Federal and State regulatory standards.
- b. We believe the supplementary information, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America, U.S. GASB, and other Federal and State regulatory standards.
- c. The methods of measurement or presentation have not changed from those used in the prior period.
- d. When the supplementary information is not presented with the audited financial statements, management will make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon.

#### **Required Supplementary Information**

With respect to the required supplementary information accompanying the financial statements (as listed in the table of contents):

- a. We acknowledge our responsibility for the presentation of the required supplementary information in accordance with U.S. GAAP, U.S. GASB, and other Federal and State regulatory standards.
- b. We believe the required supplementary information, including its form and content, is measured and fairly presented in accordance with U.S. GAAP, U.S. GASB, and other Federal and State regulatory standards.

**Board of Commissioners Housing Authority of the City of Santa Barbara**Santa Barbara, CA

#### **Independent Auditors' Report**

#### **Report on the Financial Statements**

#### **Opinions**

We have audited the accompanying financial statements of business-type activities and the aggregated discretely presented component units of business-type activities of the Housing Authority of the City of Santa Barbara as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, discretely presented component units and combining schedule of business-type activities of the Housing Authority of the City of Santa Barbara, as of March 31, 2023, and the respective change in financial position and cash flows thereof for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Villa Santa Fe, L.P., Santa Barbara Housing Partnership IV, 813 East Carrillo Street, L.P., 251 South Hope Associates, L.P., or Grace Village Apartments, L.P., which represent 100% percent, 100% percent, and 100% percent, respectively, of the assets, net position, and revenues of the discretely presented component units. Those financial statements were audited by other auditors whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for the discretely presented component units, is based solely on the report of the other auditors.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. The financial statements of the aggregate discretely presented component unit were not audited in accordance with *Government Auditing Standards*.

We are required to be independent of Housing Authority of the City of Santa Barbara and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Housing Authority of the City of Santa Barbara's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
  Housing Authority of the City of Santa Barbara's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Housing Authority of the City of Santa Barbara's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

## **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages i-vi and schedule of net OPEB liability on page 32 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Santa Barbara's basic financial statements. The supplemental information, as described in The Table of Contents, and the schedule of expenditures of federal awards, which is required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirement, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements.

The supplementary information is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 30, 2023, on our consideration of the Housing Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Housing Authority of the City of Santa Barbara's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the City of Santa Barbara's internal control over financial reporting and compliance.

Management's Discussion and Analysis

March 31, 2023

As management of the Housing Authority of the City of Santa Barbara, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2023.

The Management's Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments issued in June, 1999. Certain comparative information between the current year and the prior year is required to be presented in the MD&A.

## **Financial Highlights**

- Total operating revenue for all programs, net of interfund eliminations, was approximately \$61.6 million. Tenant rental revenue generated approximately \$9.8 million, and HUD operating grants provided approximately \$47.9 million.
- Total operating expenses for all programs, net of interfund eliminations, was approximately \$55.5 million. Housing assistance payments to landlords on behalf of tenants represented approximately \$34.8 million. Administrative expenses (\$6.5 million), maintenance (\$4.7 million) and tenant services (\$2.0 million) were other significant expense categories.
- The assets of the Housing Authority exceeded its liabilities at the close of the year by \$201.6 million. Of that amount, \$67.5 million was considered unrestricted net position and \$12.4 million was restricted net position. The remaining balance of \$121.6 million was net investment in capital assets.
- The Housing Authority's total net position increased by \$6.8 million (3.5%) from the prior fiscal year (Table 1).

## **Overview of the Basic Financial Statements**

This discussion and analysis are intended to serve as an introduction to the Housing Authority's basic financial statements, which are comprised of the Combined Statement of Net Position, the Combined Statement of Revenues, Expenses and Changes in Fund Net Position and the Statement of Cash Flows. This report also includes notes to the financial statements and supplementary information.

The financial statements report information on the Authority net of interfund activity.

The Combined Statement of Net Position presents information on the Authority's assets, including deferred outflows of resources, and liabilities, including deferred inflows of resources, with the difference between the two reported as "net position." Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Combined Statement of Revenues, Expenses and Changes in Net Position presents information showing how the Authority's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The Combined Statement of Cash Flows presents the change in the Authority's cash and cash equivalents during the most recent fiscal year.

Management's Discussion and Analysis

March 31, 2023

**Fund Accounting.** A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Some funds are required to be established by the United States Department of Housing and Urban Development (HUD). However, the Authority has established other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using grants and other moneys. All funds of the Authority are categorized as Enterprise Funds.

Enterprise Funds account for activities similar to those found in the private sector, where the determination of net income is necessary or useful for sound financial administration. They are reported using the full accrual method of accounting in which all assets and all liabilities associated with the operation of these funds are included on the statement of net position. The focus of enterprise funds is on income measurement which, together with the maintenance of equity, is an important financial indication.

**Notes to the Financial Statements.** The notes provide additional information that is essential to a full understanding of the data provided in the fund financial statements.

**Supplemental Information**. Certain information is required to be included in this report by various federal agencies. This information is included after the notes to the financial statements, under the title "Supplementary Information."

## **Financial Analysis**

As noted earlier, the Authority uses funds to help it control and manage money for particular purposes. The analysis below focuses on the net position (Table 1) and the changes in the net position (Table 3) of the Authority as a whole. The Authority's net investment in capital assets (e.g. land, buildings and improvements, furniture, equipment, and machinery) represents approximately 60.3% of total net position. The Authority uses these capital assets to provide services to clients; consequently, these assets are not available for future spending.

Table 1, on the next page, presents a summary of changes in the Authority's statement of net position from the fiscal year ended March 31, 2022 to the fiscal year ended March 31, 2023. The following is an explanation of some of the changes between fiscal years, as shown in Table 1.

- **Current assets** increased approximately \$5.3 million (13%). Of that amount, combined cash and investments, both restricted and unrestricted, increased approximately \$4.8 million (11.8%) which accounts for the majority of the increase in current assets. The increase was due to the results of operating activity for the year.
- **Non-Current assets** (excluding capital assets) increased slightly from the prior fiscal year-end, with an increase of \$1.6 million (3.6%).
- Capital assets (net of depreciation) increased slightly from the prior fiscal year-end with an increase of approximately \$4.1 million (2.6%). Table 2, on the next page, summarizes the changes in capital assets.

**Operating Revenue:** Total operating revenue was virtually unchanged from the prior year with an overall decrease of \$152,968 (-0.2%). Increases in tenant rent (\$818,589 or 9.1%) and HUD operating grants (\$2.4 million or 5.2%) were offset by a decrease in other operating income (\$3.3 million or 46.5%). The Authority's HUD Section 8 HCV grant increased by approximately \$2.5 million, allowing a corresponding increase in housing assistance payments to landlords on behalf of the Authority's voucher holders. The decrease in other operating income was the result of an operating grant in the prior year.

Santa Barbara, California

Management's Discussion and Analysis

March 31, 2023

**Operating Expenses:** Operating expenses increased approximately \$4.2 million (8.5%). Well more than half of the increase was in the line item for Section 8 housing assistance payments to landlords, which increased \$2.5 million (7.8%) in line with the increased HUD Section 8 HCV operating grant, mentioned above. Administrative expenses increased approximately \$1.1 million (21%) primarily as a result of cost-of-living wage, benefit cost increases and market adjustments to staff compensation.

**Non-Operating Revenue** *I* (Expenses): Within this category, investment income increased by over \$1.1 million (21.1%) from the prior fiscal year due to the substantial increase market interest rates that the Authority was well positioned to take advantage of.

## **Fund Net Position Analysis**

Table 4 shows a summary of the beginning net position, net income or loss, and the resulting fiscal yearend net position for the individual funds making up the agency-wide "primary government" financial statements.

Table 4

Net Position by Fund

The following is an explanation of some of the notable changes in fund net position as shown in Table 4.

<u>Business Activities:</u> Net position increased a total of approximately \$8 million entirely because of net income for the fiscal year.

<u>Central Office Cost Center (COCC)</u>: The COCC ended the fiscal year with a net position of approximately \$1.2 million, an increase of \$359,953 from the prior fiscal year-end.

<u>Section 8, ROSS, Mainstream AND Emergency Housing Vouchers</u>: Fund net position increased during the fiscal year by approximately \$1.2 million and ended the fiscal year with a net position of approximately \$5.7 million.

Shelter Plus Care: The fund ended the fiscal year with a net income of and net position of \$3,393.

<u>Santa Barbara Affordable Housing Group (SBAHG)</u>. The SBAHG is a 501(c)(3) corporation and an instrumentality of the Authority. It is reported as a blended component unit of the Authority. SBAHG had a net loss of approximately \$2.7 million for the fiscal year resulting in a negative year-end net position of approximately \$9.4 million. SBAHG had interest expense of approximately \$3.4 million. Virtually all the interest expense is on residual receipt loans owed to the Authority. As residual receipt loans, payments are required and made only to the extent that sufficient surplus funds are available at the close of the fiscal year.

Santa Barbara, California

Management's Discussion and Analysis

March 31, 2023

**Debt**. The Agency's long-term debt consists of mortgage loans and notes payable. Additional detail about the long-term liabilities can be found in the notes to the financial statements.

Economic Factors and Outlook. The Authority is primarily dependent upon the federal Department of Housing and Urban Development (HUD) for the funding of operations; therefore, the federal budget more directly affects the Authority than do state or local budgets or local economic conditions. One way in which the local economy does affect the Authority and its clients is the continuing tight rental market in Santa Barbara. With rental housing vacancy rates under one percent, local rents, already very expensive, continue to rise. Higher rents mean that Section 8 voucher holders continue to have an extremely difficult time finding available apartments within the rent levels allowed under the Section 8 HCV program. It also means that the average rent subsidy per voucher is increasing as well, putting further pressure on the Authority's federal voucher funding. Fortunately, as mentioned above, the Authority's Section 8 HCV grant from HUD increased in 2023.

Given the possibility of continued pressure on federal spending levels, including housing programs funded by HUD, the Authority, like all housing authorities, faces the possibility of further constraints on federal funding. In one respect, the Authority's exposure to federal funding risk has been substantially reduced as it has taken advantage of the Rental Assistance Demonstration (RAD) program to remove all 316 units from the Public Housing program. The Authority no longer has any Public Housing units directly dependent on federal funding. However, any federal funding reductions would affect the Authority's Section 8 voucher program. It will continue to be a challenge adjusting to limits on Section 8 HCV funding while still administering the voucher program in an expensive and tight rental market.

**Requests for Information.** This financial report is designed to provide citizens, taxpayers, and creditors with a general overview of the Authority's finances and to show the Authority's accountability for resources it receives. Questions concerning any of the information provided in this report or request for additional financial information should be addressed to the Finance Department at the Housing Authority of the City of Santa Barbara, 808 Laguna Street, Santa Barbara, CA 93101.

Notes to Financial Statements For the Year Ended March 31, 2023

#### NOTE 01 – SUMMARY OF ORGANIZATION, SIGNIFICANT ACCOUNTING POLICIES AND REPORTING ENTITY

#### Introduction

The financial statements of the Housing Authority of the City of Santa Barbara (the Authority) have been prepared in accordance with Generally Accepted Accounting Principles (GAAP). The Governmental Accounting Standards Board (GASB) is the standard-setting body for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The Authority has previously implemented GASB Statement 34, Basic Financial Statements – and Management's Discussion and Analysis-for State and Local Governments. Certain significant changes in the statements are as follows: The financial statements will include a Management's Discussion and Analysis (MD&A) section providing an analysis of the Authority's overall financial position and results of operations.

The Authority is a special-purpose government engaged only in business-type activities and, therefore, presents only the financial statements required for enterprise funds, in accordance with GASB. For these governments, basic financial statements and required supplemental information consist of:

- Management Discussion and Analysis (MD&A)
- Enterprise fund financial statements consisting of:
  - o Statement of Net Position
  - o Statement of Revenues, Expenses and Changes in Net Position
  - Statement of Cash Flows
- Notes to Financial Statements
- Required supplemental information other than MD&A and supplemental information

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) has direct responsibility for administering low-income housing programs in the United States. Accordingly, HUD has contracted with the Authority to administer certain HUD funds.

## **Reporting Entity**

The Authority is a public body organized in October 1969, under laws of the State of California's Health and Safety Code. The Authority was created for the purpose of providing safe and sanitary housing for qualified economically disadvantage and elderly individuals in areas where a shortage of such housing exits. The Board of Commissioners of the Authority is composed of seven members and is appointed to four-year terms (except for tenant commissioners who serve two-year terms) by the Santa Barbara City Council (the City Council), but the Authority designates its own management. The City Council provides no financial support to the Authority and is not responsible for the debts or entitled to the surpluses of the Authority. The Authority has the power to approve its own budget and maintains its own accounting system. Although the Board is appointed by the City Council, no other criteria established by Section 2100 and 2600 of the Codification of Governmental Accounting Standards Board, the Financial Accounting Standards Board, and Governmental Accounting Standards Board Statement No. 39 for inclusion of the Authority in the City of Santa Barbara's financial statements are met. Therefore, a separate financial report is prepared for the Authority. All of the operations of the Authority are included in the audited financial statements and there are no operations or activities which have been excluded. Additionally, the Authority has entered into annual contribution contracts with the U.S. Department of Housing and Urban Development (HUD) to be administrator of the housing and housing related programs described herein. The Authority is not subject to Federal or State income taxes and is not required to file Federal or State income tax returns.

Notes to Financial Statements For the Year Ended March 31, 2023

GASB Statement No. 14 established criteria for determining the governmental reporting entity. Under provisions of this statement, the Authority is considered a primary government, since it is a special-purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state and local governments. As used in GASB 14, fiscally independent means that the Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, control collection and disbursements of funds, maintain responsibility for funding deficits and operating deficiencies, and issue bonded debt.

The Authority's primary operations comprise a number of housing and grant programs as follows:

- Authority Owned Housing
- Housing Assistance Payment Program
- Property Management Program
- Non-HUD Program
- Shelter Plus Care

In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity was made by applying the criteria set forth in Section 2100 and 2600 of GASB's Codification of Governmental Accounting and Financial Reporting Standards and Statement No. 14 and No. 61 of the Government Accounting Standards Board, the Financial Reporting Entity.

- The organization is legally separate (can sue and be sued in their own name).
- The Authority holds the corporate powers of the organization.
- The Authority appoints a voting majority.
- The Authority is able to impose its will on the organization.
- The organization has the potential to impose a financial benefit/burden on the Authority.
- There is fiscal dependency by the organization on the Authority.

Based on the aforementioned criteria, and the control and relationship between the Authority and the component units, the Authority has determined that the following entities are considered component units of the Authority and are required to be blended within the Authority's financial statements:

#### **Blended Component Units**

Blended component units are separate legal entities that meet the component unit criteria described above and whose governing body is the same or substantially the same as the Authority's Board of Commissioners or the component units provide services entirely to the Authority. These component units' funds are blended into those of the Authority's by appropriate activity type to compose the primary government presentation.

Currently, the Authority has one component unit that meets the criteria for blending.

**Santa Barbara Affordable Housing Group (SBAHG)** is a legally separate non-profit organization. The Board of Directors of SBAHG consists of the same members as the Board of Commissioners of the Authority. The SBAHG is an instrumentality of the Authority and is fiscally dependent on the Authority. Based on the above, it has been determined that the SBAHG is a component unit of the Housing Authority and should be included in the Housing Authority's financial statements through a blended presentation. SBAHG operates on the same fiscal year as the Housing Authority March 31, 2023.

Notes to Financial Statements For the Year Ended March 31, 2023

#### **Discretely Presented Component Units**

Discretely presented component units are separate legal entities that meet the component unit criteria described above but do not meet the criteria for blending.

As of March 31, 2023, the Authority, along with its blended component unit, is the manager and operator of five low-income residential real estate developments organized as real estate limited partnerships. Under a Management Agreement and a Guarantee Agreement with each of the limited partnerships, the Authority is financially accountable for the limited partnerships as the Authority is legally obligated to fund operating deficits in accordance with the terms of the partnership, management, and guarantee agreements. The Authority also holds the right to purchase the properties from the limited partnerships under a Purchase Option/Right of First Refusal at the end of the 15-year tax compliance period. The Authority has outstanding loans and advances to the limited partnerships amounting to \$45,566,950 at March 31, 2023. The limited partnerships do not serve the primary government exclusively, or almost exclusively, and therefore are shown as discretely presented component units. Balances presented for discretely presented component units on the accompanying Statement of Net Position and Statement of Revenues, Expenses, and Other Changes in Net Position are as of December 31, 2022.

The Authority has five discretely presented component units as follows:

**Villa Santa Fe, L.P.**, a legally separate entity, was formed as a limited partnership under the laws of the State of California in 2012, for the purpose of purchasing, rehabilitating, and operating two separate properties in Santa Barbara totaling 167 units. The Authority manages the two properties under a contractual management agreement with the limited partnership.

Santa Barbara Housing Partnership IV, a legally separate entity, was formed as a limited partnership under the laws of the State of California in 2014, for the purpose of purchasing, rehabilitating, and operating two separate properties in Santa Barbara totaling 35 units. The Authority manages the two properties under a contractual management agreement with the limited partnership.

**813 East Carrillo Street, L.P.,** a legally separate entity, was formed as a limited partnership under the laws of the State of California in 2018, for the purpose of purchasing, rehabilitating, and operating 17 units of multifamily rental housing. The Authority manages property under a contractual management agreement with the limited partnership.

**251 South Hope Associates, L.P.**, a legally separate entity, was formed as a limited partnership under the laws of the State of California in 2018, for the purpose of purchasing, rehabilitating, and operating 90 units of multifamily rental housing. The Authority manages property under a contractual management agreement with the limited partnership.

**Grace Village Apartments, L.P.**, a legally separate entity, was formed as a limited partnership under the laws of the State of California in 2015, for the purpose of purchasing, rehabilitating, and operating 58 units of multifamily rental housing.

Complete financial statements for each of the individual discretely presented component may be obtained at the Authority's administrative office. There are no separate financial statements issued for the blended component units.

Housing Authority of the City of Santa Barbara, 808 Laguna Street, Santa Barbara, CA 93101.

#### **Budgetary Data**

The Authority adopts budgets on the basis of accounting consistent with the basis of accounting for the fund to which the budget applies. The Authority prepares annual operating budgets that are formally adopted by its Governing Board of Commissioners. The budgets for programs funded by HUD form the basis of the Federal Financial Assistance received through HUD. These budgets are adopted using a HUD outline that is not consistent with Generally Accepted Accounting Principles and are used for HUD purposes only.

Notes to Financial Statements For the Year Ended March 31, 2023

#### Basis of Presentation, Basis of Accounting and Measurement Focus

**Basis of Accounting** - The Authority uses the accrual basis of accounting in the proprietary funds. Under this method, revenues are recorded when earned, and expenses are recorded when liabilities are incurred, regardless of when the related cash flow takes place.

Basis of Presentation - The financial statements of the Authority are presented from a fund perspective. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Authority functions. The fund is a separate accounting entity with a self-balancing set of accounts. The accounting and financial reporting method applied by a fund is determined by the fund's measurement focus. The accounting objectives are determination of net income, financial position, and cash flows. All assets and liabilities associated with the Proprietary Fund's activities are included on the statement of net position. In the Statement of Net Position, equity is classified as net position and displayed in three components:

- a) <u>Net investment in capital assets</u> Consists of capital assets, net of accumulated depreciation and reduced by the outstanding balance of any notes or other borrowings attributable to those capital assets.
- b) <u>Restricted net position</u> Consists of assets with constraints placed on the use either by external groups, such as grantors or laws and regulations of other governments, or law through constitutional provisions or enabling legislation.
- c) <u>Unrestricted net position</u> All other assets that do not meet the definition of "restricted" or "net investment in capital assets".

**Proprietary Fund. Enterprise Fund** - This type of fund is reported using an economic resources measurement focus. Additionally, it is used to account for operations that are financed and operated in a manner similar to private businesses where a fee is charged to external users for services provided. When both restricted and unrestricted net positions are available for use, generally it is the Authority's policy to use restricted resources first.

Name	Position	Term
Patricia Wheatley	Chairperson	July 2025
Steven Faulstich	Vice-Chairperson	July 2025
Lisa Carlos	Director	June 2026
David Rowell	Director	August 2023
Mary Fenger	Director	June 2024
Esvin Almengor	Director	June 2024
Rose Munoz	Director	September 2024

In addition to the above Commissioners, the Administrator of the Housing Authority is Rob Fredericks, who serves as CEO and is the Executive Director.

## **Revenues and Expenses**

Revenues and expenses are recognized in essentially the same manner as used in commercial accounting. Revenues relating to the Authority are operating activities including rental related income, interest income and other sources of revenues are recognized in the accounting period in which they are earned. Other major sources of revenues include the operating subsidy from HUD and other HUD funding for operating expenses.

In accordance with GASB standards dwelling income has been netted with bad debt expense of \$98,307. Collection losses on accounts receivable are expended, in the appropriate Fund, on the specific write-off method.

Notes to Financial Statements For the Year Ended March 31, 2023

#### **Operating Revenue**

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority are charges to customers for rents. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Subsidies received from HUD or other grantor agencies, for operating purposes, are recorded as operating revenue in the operating statement while capital grant funds are added to the net position below the non-operating revenue and expense.

#### **Cash and Investments**

All deposits of the Authority are made in Board-designated official depositories and are secured as required by HUD regulations and the California Government Code. Also, the Authority may establish time deposit accounts such as NOW and Super NOW accounts, money accounts and Certificates of Deposit. Section 401(e) of the annual contribution contract authorizes the Authority to invest in the following types of securities:

- 1. Obligations of the Federal Government which are backed by the full faith and credit of the Federal Government.
- 2. Obligations of any agency or instrumentality of the Federal Government if the payment of interest and principal on such obligations is fully guaranteed by the Federal Government.
- 3. Obligations of the Federal Intermediate Credit Banks, the Federal Home Loan Banks, the Federal National Mortgage Association, the Banks for Cooperatives, and the Federal Land Banks which mature no later than 18 months after the date of purchase.

As required by the annual contributions contract, the Authority prepares cash forecasts for each program to determine the amount of funds available for investment and to maximize investment earnings. The deposits and the above-described investments with an original maturity of ninety days or less are considered cash and cash equivalents for the Statement of Cash Flows.

#### **Accounts Receivable**

Accounts receivable consists of all amounts earned at year end and not yet received. Allowances for uncollectible accounts are based upon historical trends and periodic aging of accounts receivable.

Accounts for which no possibility of collection is anticipated are charged to bad debts expense which is netted against dwelling rent revenues on the Statement of Revenues, Expenses, and Changes in Net Position.

#### **Inventories**

Inventories are recorded at cost with cost being determined on the first-in, first-out basis. The consumption method is used to account for inventories. Under the consumption method, inventories are charged to expense when consumed. Management has deemed no allowance for obsolete inventory is necessary.

#### Capital Assets, Right of Use (ROU) Assets, Depreciation, and Amortization

Capital assets are stated at historical cost. Donated capital assets are stated at their fair value on the date donated. This includes site acquisition and improvement, structures, and equipment. Right-of-use assets are recognized at the net present value of future lease payments. Depreciation of exhaustible capital assets used by proprietary funds is charged as an expense against operations, and accumulated depreciation is reported on the statement of net position. If the initial cost of a piece of equipment and/or other personal property is five thousand dollars (\$5,000) or more and the anticipated life or useful value of said equipment or property is more than one (1) year, the purchased property/equipment will be capitalized and recorded as non-expendable equipment and charged as a capital expenditure.

Notes to Financial Statements For the Year Ended March 31, 2023

The estimated useful lives for each major class of depreciable capital assets are as follows:

Buildings 30 years
Site improvements, modernization, and rehabilitation 10 years
Furniture, equipment, and vehicles (including ROU) 5 - 7 years

## Leases (GASB 87)

A lessor is required to recognize a lease receivable and a deferred inflow of resources. A lease receivable is recognized at the net present value of the leased asset at a borrowing rate either explicitly described in the agreement or implicitly determined by the Authority and is reduced by principal payments received. The deferred inflow of resources is recognized in an amount equal to the sum of the lease receivable and any payments relating to a future period which were received prior to the lease commencement. These deferred inflows of resources are amortized equal to the amount of the annual payments.

A lessee is required to recognize a lease payable and a right-to-use asset. A lease payable is recognized at the net present value of future lease payments and is adjusted over time by interest and payments. Future lease payments include fixed payments, variable payments based on index or rate, reasonably certain residual guarantees. The right to use asset is initially recorded at the amount of the lease liability plus prepayments less any lease incentives received prior to lease commencement and is subsequently amortized over the life of the lease.

All existing and newly acquired leases during the current fiscal year were analyzed and classified as either qualified or non-qualified leases, for both lessor and lessee positions.

#### **Deferred Inflows/Outflows of Resources**

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *Deferred Outflows of Resources*, represents a consumption of net position that applies to a future period and so will not be recognized as an expense or expenditure until then. The Authority had deferred outflows of resources consisting of a change in assumption on the OPEB liability of \$171,396.

Also, in addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *Deferred Inflows of Resources*, represents an acquisition of net position that applies to a future period and so will not be recognized as revenue until then. The Authority deferred inflows of resources as of March 31, 2023, was \$5,002,208. There are two components; the OPEB liability plan expense of \$1,962,729 and unearned lease payments \$1,143,467.

#### **Compensated Absences**

Compensated absences are absences for which employees will be paid, i.e., vacation, and other approved leaves. The Authority accrues the liability for those absences that the employee has earned the rights to the benefits. Upon separation from the Authority, an employee shall be paid for all accumulated annual leave and a percentage of their sick leave based on tenure with the Authority, as of their final date of employment. Leave accrued, but not yet paid as of March 31, 2023, is shown as a liability allocated between current and noncurrent.

#### Insurance

The primary technique used for risk financing is the purchase of insurance policies from commercial insurers that include a large deductible amount. The use of a large deductible clause reduces the cost of insurance, but should losses occur, the portion of the uninsured loss is not expected to be significant with respect to the financial position of the Authority. As of the date of the report, the Authority had necessary insurance coverage in force.

## **Unearned Revenues**

Unearned revenues (included in other current liabilities) consist of \$340,202 in rental payments made by tenants in advance of their due date.

Notes to Financial Statements For the Year Ended March 31, 2023

#### **Subsequent Events**

Events that occur after the statement of net position date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. Management evaluated the activity of the Authority through August 30, 2023, (the date the financial statements were available to be issued) and concluded that nothing should be disclosed to the reader of the financial statements.

#### **NOTE 02 – CASH AND CASH EQUIVALENTS**

All the deposits of the Authority are either insured or collateralized by using the Dedicated Method whereby all deposits that exceed the Federal Depository Insurance Coverage level are collateralized with securities held by the Authority's agents in these units' names.

All deposits of the Authority are with financial institutions meeting State and Federal deposit requirements. The Authority's cash and investments consist of checking, Money Market, commercial paper, mutual funds, and corporate bonds. The Authority's checking and Money Market bank accounts are short-term highly liquid investments that are considered cash and cash equivalents.

Changes in fair value that occur during a fiscal year are recognized as investment income for that fiscal year. Investment income includes interest earnings, changes in fair value, and any gains or losses realized upon liquidation, maturity, or sale of investments. The Authority categorizes its fair value measurements within the fair value hierarchy established by Generally Accepted Accounting Principles. The three levels of the fair value hierarchy are as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- **Level 2**: Inputs (other than quoted prices included within Level 1) that are observable for the asset or liability either directly or indirectly.
- **Level 3**: Unobservable inputs market data are not available and are developed using the best information available about the assumptions that market participants would use when pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Authority considers all the investments as Level 1.

Cash and investments are stated at fair value and consist of the following:

Interest rate risk - Interest rate risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity its fair value will be to changes in market interest rates. In accordance with the Authority's Investment Policy, the Authority manages its exposure to interest rate risks by purchasing a combination of shorter-term and longer-term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide cash flow and liquidity needed for operations.

*Credit risk* - Generally, credit risk is the risk that an issuer of a debt type investment will not fulfill its obligation to the holder of the investment. U.S. Government securities or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk exposure.

The Authority's debt investments ratings at March 31, 2023, are presented below (excludes CDs, Money Market funds and mutual funds):

	Fair Value	AA	Α	BBB
Corporate bonds	\$ 5,084,732	\$ 288,877	\$ 4,310,871	\$ 484,984

Custodial credit risk - For an investment, the custodial risk is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Authority has no policy on custodial credit risk.

Authorized security for deposits enumerated under law includes direct obligations of or obligations guaranteed by the United States of America having a market value not less than the amount of such monies. The Authority does not have a custodial credit risk policy that is more restrictive than state statutes.

Concentration of credit risk - More than 5 percent of the Authority's investments are in the following investments:

These inter-program transactions have been eliminated in preparing the basic financial statements.

In addition, in June 2013, 180 Public Housing AMP3 units were disposed and sold to SBAHG (blended component unit) for \$34,590,000, as approved by HUD. The Authority (Non-HUD program) financed the entire sales proceeds with a 30-year loan at an interest rate of 3% per annum, payable only from surplus cash and at the end of the 30-year term, which is secured by a deed of trust recorded on the Property.

Also, during the years ended March 31, 2016, and 2017, the Authority converted certain public housing units to RAD and sold certain public housing units to SBAHG (blended component unit). The Authority (Non-HUD program) financed the entire sales proceeds with five 99-year loans at an interest rate of 3% per annum, payable only from surplus cash commencing on the dates below and each July 1st thereafter until paid in full.

The loan balances and accrued interest as of March 31, 2023, are as follows:

#### **NOTE 06 - PENSION PLAN**

The Authority provides a defined contribution pension plan (The Plan) for eligible employees. The plan is administered by Empower Retirement (which is owned by Great-West Life & Annuity Insurance Company). The Plan is managed by a committee of trustees comprised of senior management of the Authority (specifically, the Executive Director/CEO; the Deputy Executive Director/Chief Operating Officer; the Finance Director and the Director of Property Development and Administration). Plan changes are allowed. All plan changes must be approved by the Authority's governing body (the Commission). The Commission authorized the Authority's participation in the retirement plan. Employees who work full or part-time are eligible for participation in the Plan. Participants who reach age 55 are entitled to a benefit which can be paid in a single payment or in equal monthly payments under various payment plans available to participants. Employer contributed retirement benefits fully vest after 5 years of employment. The Authority contributes (on a monthly basis) an amount equal to 12% of each employee's annual compensation to the plan. The Authority also matches up to 5% of any employee deferred compensation. Employer contributions totaled \$795,273 on \$5,044,538 covered payroll for the year ended March 31, 2023.

#### **NOTE 09 – COMMITMENTS AND CONTINGENCIES**

**Legal**: At March 31, 2023, the Authority was not a defendant to any material lawsuit. No provision was made in the financial statements for any contingent liabilities. In the opinion of management, there are no legal matters that would have a materially adverse effect on the Authority's financial position.

**Grants and Contracts**: The Authority participates in various federally assisted grant programs that are subject to review and audit by the grantor agencies. Entitlement to these resources is generally conditional based upon compliance with terms and conditions of grant agreements and applicable federal regulations, including the expenditure of resources for allowable purposes. Any disallowance resulting from a federal audit may become a liability of the Authority. There were no such liabilities recorded as of March 31, 2023.

The Section 8 Housing Choice Voucher Program (the Program) under the implementation of the Consolidated Appropriations Act 2005, Funding Provisions for the Housing Choice Voucher Program, changed the funding methodology, and in addition the Authority is no longer required to complete a settlement statement. As a result, in accordance with GASB Statement No. 33 and PIH Notice 2009-9, the cumulative amount of unspent Housing Assistance Payment subsidy as of March 31, 2023, is being reflected in restricted net position in the basic financial statements.

#### **NOTE 12 – UNEARNED GROUND LEASE**

During the year ended March 31, 2016, the Authority leased land to Santa Barbara Housing Partnership IV, L.P. (a tax credit entity) – related to the RAD 4 sale. The leases were for a term of 75 years. As of March 31, 2016, Santa Barbara Housing Partnership IV, L.P. paid the Authority \$1,280,000 for the two ground leases (\$520,000 for the Pearl Gardens property and \$760,000 for the Sycamore Gardens property). This prepayment of lease income was recorded as deferred inflow of resources and will be recognized as revenue over the period to which the lease applies. As of March 31, 2023, the current portion of the unearned ground lease income is \$17,066 (which is included in "Other current liabilities") and the long-term portion is \$1,228,800 (which is included in "Other non-current liabilities"). The Authority will recognize the remaining lease income during the 75-year life of the leases as follows:

#### **NOTE 13 - RISK MANAGEMENT**

The Authority carries commercial insurance against all risks of loss, including property and general liability, auto, workers' compensation, fidelity, and public officials' liability insurance. There have been no significant reductions in insurance coverage in the prior year and settled claims from these risks have not exceeded commercial insurance coverage in any of the last three fiscal years.

Notes to Financial Statements For the Year Ended March 31, 2023

The Authority participates in two joint ventures under joint powers agreements as follows:

CHWCA (California Housing Workers' Compensation Authority) – The California Housing Workers' Compensation Authority (CHWCA) is a California joint powers insurance authority established in 1991 for the purpose of providing workers' compensation coverage to California public housing authority members. CHWCA is a special district in the State of California providing its members with a comprehensive workers' compensation coverage program for the sharing of risk for self-insured losses, as well as jointly purchasing claims adjusting services, actuarial services, risk control services, and legal services connected with the program. CHWCA provides coverage for both workers' compensation and employer's liability for its Members from dollar one up to \$500,000 per occurrence. CHWCA is also a member of the Safety National Casualty Corporation for commercial excess coverage. When losses exceed the \$500,000 per occurrence limit, Safety National will provide coverage up to Statutory limits.

CHWCA is governed by a seven (7) member Executive Committee which is elected by the 33-member Board of Directors. Each of CHWCA's 33 member agencies appoint one primary and one alternate member to serve on the Board of Directors. In 2005, CHWCA formed a six (6) member Risk Management Committee, which expanded to nine (9) members, whose responsibilities include reviewing and developing risk control policies and drafting an annual Risk Control Work Plan. The relationship between the Authority and CHWCA is such that CHWCA is not a component unit of the Authority for financial reporting purposes.

**HARRP (Housing Authorities Risk Retention Pool)** – HARRP was formed to provide property and liability insurance coverage for member housing authorities. HARRP members fully self-insure their exposures without recourse to reinsurance on excess insurance.

The coverage limits are \$2 million per occurrence and in the aggregate for auto liability and \$2 million per occurrence and in the aggregate for general liability, errors and omissions liability and employment practices liability. Through the act of self-insuring its exposures, HARRP and its members maintain direct control over the adjustment, defense, and settlement of the claims. HARRP purchases excess property coverage for losses exceeding \$2,000,000. As of March 31, 2018, the limit of such excess property coverage is \$45 million above the self-insured coverage. There is no coverage for flood or earthquake damage. As of March 31, 2023, there were approximately 90 members. The relationship between the Authority and HARRP is such that HARRP is not a component unit of the Authority for financial reporting purposes.

#### NOTE 14 - OTHER POST -EMPLOYMENT BENEFIT PLAN LIABILITY

## **Plan Description**

For employees hired prior to April 1, 2009, the Authority provides medical coverage for employees who retire with the Authority at the age of 55 or older with 5 or more years of service or who become permanently disabled after 5 or more years of service. For employees hired after April 1, 2009, the Authority provides medical coverage for employees who retire with the Authority at the age of 55 or older with 15 or more years of service or who become permanently disabled after 15 or more years of service.

The required contribution is based on projected pay-as-you-go financing requirements. Covered employees are required to contribute premiums in excess of the \$340 per month provided by the Authority.

Active employees	56
Inactive employees	15
Total	71

## **Net OPEB Liability**

The Authority's net OPEB liability was measured as of March 31, 2023, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation dated March 31, 2023, based on the following actuarial methods and assumptions.

Actuarial Assumptions:	
Valuation date:	March 31, 2023
Funding method:	Entry Age Normal Cost, level percent of pay
Discount rate:	2.83% as of March 31, 2022
	3.78% as of March 31, 2023
Participants valued:	Only current active employees and retired participants and covered dependents are valued. No future entrants are considered in this valuation.
Salary increase:	3.00% per year, since benefits do not depend on salary, this is used only to allocate the cost of benefits between service years.
Assumed wage inflation:	3.00% per year; a component of assumed salary increases
General inflation rate:	2.50% per year
Mortality improvement:	MacLeod Watts Scale 2022
Healthcare trend rate:	Medical plan premiums and claims costs by are assumed to increase once each year.

The Authority does not presently fund an OPEB trust. Therefore, the net OPEB liability is equal to the total OPEB liability.

## **Discount Rate**

The discount rate used to measure the total OPEB liability was 2.83%. The discount rate depends on the nature of underlying assets for funded plans. For an unfunded plan, the discount rate is based on the Fidelity 20 Year AA General Obligation Municipal Bond Index. As of the beginning and end of the Measurement Period, use of this index results in discount rates of 2.27% as of March 31, 2022, and 2.83% as of March 31, 2023.

## Change in the OPEB Liability

The changes in the net OPEB liability for the OPEB Plan are as follows:

Notes to Schedule of Expenditures of Federal Awards For the Year Ended March 31, 2023

#### (1) Summary of Significant Accounting Policies Applicable to the Schedule of Expenditures of Federal Awards

#### **Scope of Presentation**

The accompanying schedule presents the expenditures incurred (and related awards received) by the Housing Authority of the City of Santa Barbara (the Authority) that are reimbursable under federal programs of federal agencies providing financial assistance and state awards. For the purposes of this schedule, only the portion of program expenditures reimbursable with such federal or state funds is reported in the accompanying schedule. Program expenditures in excess of the maximum federal or state reimbursement authorized or the portion of the program expenditures that were funded with local or other nonfederal funds are excluded from the accompanying schedule.

#### **Basis of Accounting**

The expenditures included in the accompanying schedule were reported on the accrual basis of accounting. Expenditures are recognized in the accounting period in which the related liability is incurred. Expenditures reported included any property or equipment acquisitions incurred under the federal program. The information in this schedule is presented in accordance with the requirements of Uniform Guidance, *Audit of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

#### **Indirect Cost Rate**

The Authority elected not to use the 10% de minimis indirect cost rate as allowed in the Uniform Guidance, Section 414.

**Board of Commissioners Housing Authority of the City of Santa Barbara**Santa Barbara, CA

# Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

#### **Independent Auditors' Report**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, the aggregated discretely presented component units and the combining schedules of business-type activities of Housing Authority of the City of Santa Barbara as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated August 30, 2023. The financial statements of the aggregated discretely presented component units were not audited in accordance with *Government Auditing Standards*.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit, we considered Housing Authority of the City of Santa Barbara's internal control over financial reporting (internal control) a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Santa Barbara's internal control. Accordingly, we do not express an opinion on the effectiveness of Housing Authority of the City of Santa Barbara's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Housing Authority of the City of Santa Barbara's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

mith Marine 6

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# Report on Compliance for Each Major Federal Program; and Report on Internal Control over Compliance in Accordance with *Uniform Guidance*

#### **Independent Auditors' Report**

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited Housing Authority of the City of Santa Barbara's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the City of Santa Barbara's major federal programs for the year ended March 31, 2023. Housing Authority of the City of Santa Barbara's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of the City of Santa Barbara complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2023.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of *Title 2 U.S. Code of Federal* Regulations *Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Housing Authority of the City of Santa Barbara and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Housing Authority of the City of Santa Barbara's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Housing Authority of the City of Santa Barbara's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Housing Authority of the City of Santa Barbara's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Housing Authority of the City of Santa Barbara's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
  perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
  evidence regarding Housing Authority of the City of Santa Barbara's compliance with the compliance
  requirements referred to above and performing such other procedures as we considered necessary in the
  circumstances
- Obtain an understanding of Housing Authority of the City of Santa Barbara's internal control over compliance
  relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to
  test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the
  purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Santa Barbara's
  internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### **Independent Auditors' Report on Supplementary Information**

We have audited the basic financial statements of the Housing Authority of the City of Santa Barbara as of and for the year ended March 31, 2023, and have issued our report thereon dated August 30, 2023, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying financial data schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedules are fairly stated in all material respects in relation to the financial statements as a whole.

#### **Independent Accountants' Report on Applying Agreed-Upon Procedures**

We have performed the procedure described in the third paragraph of this report, on the electronically submitted information included within the OMB Uniform Guidance reporting package. Housing Authority of the City of Santa Barbara (the Authority) is responsible for the accuracy and completeness of the electronically submitted information.

The Authority and the U.S. Department of Housing and Urban Development (HUD), Real Estate Assessment Center (REAC) have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining whether the electronically submitted information agrees with the related hard copy documents within the OMB Uniform Guidance reporting package. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

#### The procedures are as follows:

We compared the electronically submitted items listed in the "UFRS Rule Information" column of the matrix/chart on the following page of this report with the corresponding printed documents listed in the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

We were engaged by the Authority to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronically submitted information identified in the "UFRS Rule Information" column of the chart/matrix agrees with the related hard copy documents within the OMB Uniform Guidance reporting package. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

We were engaged to perform an audit in accordance with the OMB Uniform Guidance and with *Government Auditing Standards* by the Authority as of and for the period ending March 31, 2023, and have issued our reports thereon dated August 30, 2023. The information in the "Hard Copy Documents" column was included within the scope or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated August 30, 2023, was expressed in relation to the basic financial statements of the Authority taken as a whole.

A copy of the OMB Uniform Guidance reporting package, required by the Uniform Guidance, which includes the auditor's reports, is available in its entirety from the Authority. We take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

This report is intended solely for the information and use of the Authority and HUD and is not intended to be and should not be used by anyone other than these specified parties.

# HOUSING AUTHORITY OF THE CITY OF SANTA BARBARA

HUD-50075-MTW CA076

MOVING TO WORK SUPPLEMENT FYE 2025

## PHA Name: Housing Authority Of The City Of Santa Barbara

PHA Code: CA076

MTW Supplement for PHA Fiscal Year Beginning: (MM/DD/YYYY): 4/1/2024

PHA Program Type: Housing Choice Voucher (HCV) only

MTW Cohort Number: Landlord Incentives

MTW Supplement Submission Type: Annual Submission

#### **B. MTW Supplement Narrative.**

The fiscal flexibility allowed by Moving to Work allows HACSB to collaborate with landlords and property owners to create Section 8 program enhancements to augment landlord and property owner participation and retention in the program. HACSB's continuing goal is to increase housing choice for Section 8 Housing Choice Voucher recipients.

HACSB will continue to focus MTW implementation on meeting the MTW statutory objective to increase housing choices for low-income families through extensive landlord incentives. The focus will be on monetary incentives and on-going educational opportunities for property owners and managers. Signing bonuses, vacancy payments, mitigation funds, education legal workshops, increased program marketing and a constant focus on providing great customer service will be the focus of year one. Inventory continues to be limited and rents very high, so increased monetary incentives will increase owner participation and housing choices for program participants.

HACSB will continue to engage with all stockholders to evaluate and create additional incentives and program modifications.

# C. MTW Activities Plan that Housing Authority Of The City Of Santa Barbara Plans to Implement in the Submission Year or Is Currently Implementing

### 1.n. - Utility Reimbursements (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

HACSB eliminated the utility allowance reimbursement payments to households. Utility allowance reimbursements were issued infrequently, and reimbursement checks would often go uncashed. To reduce cost and the administrative burden of

issuing these payments HACSB will eliminate this practice.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

The elimination of utility allowance reimbursement has reduced the administrative burden of tracking uncashed checks and

resulted in decreased expenditures. There were 14 families who have ceased receiving reimbursement checks.

#### 1.u. - Standard Deductions (HCV)

# Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

HACSB implemented an increased standard deduction for both its elderly and disabled families as well as an increased allowance for dependents. HACSB replaced itemized medical deductions with a standard deduction of \$1,000 per eligible elderly or disabled household. This resulted in an increase of approximately \$30,000 per year in Housing Assistance Payments per year which translated to a \$15 average reduced monthly total tenant payment.

This change has been cost neutral as the staff hours spent in the collection and verification of reported medical expenses decreased significantly, equating to approximately \$25,000 per year in salary savings. Replacing itemized deductions with a larger standard deduction meets the MTW goal of cost effectiveness as staff time, photocopy costs and postage costs

are all reduced.

#### Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Neutral (no cost implications); Decreased revenue

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies only to a subset or subsets of assisted households

Does the MTW activity apply only to new admissions, only to currently assisted households, or to both new admissions and currently assisted households?

New admissions and currently assisted households

Does the MTW activity apply to all family types or only to selected family types?

The MTW activity applies only to selected family types

Please select the family types subject to this MTW activity.

Elderly families; Disabled families (to the extent those families are not exempt via a reasonable accommodation)

Does the MTW activity apply to all HCV tenant-based units and properties with project-based vouchers?

The MTW activity applies to specific tenant-based units and/or properties with project-based vouchers

Please describe which tenant-based units and/or properties with project-based vouchers participate in the MTW activity.

This activity applies to all HCV tenant-based vouchers as well as project-based vouchers where the family qualifies as an elderly or disabled family.

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

The vast majority of elderly or disabled households, 85%, saw a \$15 monthly reduction in rent portion.

The change has been cost neutral as the staff hours spent in the collection and verification of reported medical expenses decreased significantly, equating to approximately \$25,000 per year in salary savings, where the increased Housing Assistance Payments annually are approximately \$30,000. It has proven to be cost effective, saving staff time as well as

direct office related costs.

### 2.b. - Payment Standards- Fair Market Rents (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

HACSB will adopt a payment standard that is 80-120% of the Fair Market Rents (FMR). Payment standards will be reviewed annually at publication of a new FMR, at periodically thereafter if deemed necessary. Greater agency control of Payment Standards allows for standards that are more reflective of the local jurisdiction and allows for voucher participants

to have greater access to available units.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Increased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

Published Fair Market Rents for HACSB's local jurisdiction are not reflective of the local market. Currently HACSB has approved payments standards at 110% of FMR and are submitting a reevaluation of FMR request to HUD. Once new

FMR's are published HACSB will review and adopt payment standards within our allowable80-120% range.

Does this MTW activity require a hardship policy?

Yes

This document is attached.

Does the hardship policy apply to more than this MTW activity?

No

Has the MTW agency modified the hardship policy since the last submission of the MTW Supplement?

Nο

How many hardship requests have been received associated with this activity in the past year?

No hardship were requested in the most recent fiscal year.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

Does the MTW activity require an impact analysis?

Provided Already

Please explain the payment standards by FMR:

HACSB will establish payment standards between 80-120% of the FMR

## 4.a. - Vacancy Loss (HCV-Tenant-based Assistance)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

HACSB will pay vacancy loss when a unit assisted under the HCV program is re-rented through the Section 8 program. Vacancy loss will be paid for a maximum of 30-days/1 full month. Payment will be sent to Landlord once the HAP contract has been executed. All efforts made to lease a unit, including but not limited to, advertisements, notification to HACSB of an available unit, turnover timeline with workorders or invoices, will be required when deciding as to number of vacancy

days paid. Vacancy loss will only be paid when the new tenant is a Section 8 assisted as was the immediate prior tenancy.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Increased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies only to a subset or subsets of assisted households

Does the MTW activity apply only to new admissions, only to currently assisted households, or to both new admissions and currently assisted households?

New admissions and currently assisted households

Does the MTW activity apply to all family types or only to selected family types?

The MTW activity applies to all family types

Does the MTW activity apply to all HCV tenant-based units and properties with project-based vouchers?

The MTW activity applies to all tenant-based units

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

The processing of paying vacancy loss has not changed since initial implementation. HACSB has only fulfilled requests for vacancy payments 4 times since implementation. The ability to offer the financial incentive however, garners attention from property owners and in turn allows the conversation about Section 8 and it benefits to begin. Increasing the list of potential financial incentives is a benefit to voucher participants as landrods are more likely to participate when they feel as though

they are financially protected.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

Does this policy apply to certain types of units or to all units all HCV units or only certain types of units (for example, accessible units, units in a low-poverty neighborhood, or units/landlords new to the HCV program?

Certain types of units only

What is the maximum payment that can be made to a landlord under this policy?

\$3,500- or 1-months contract rent whichever is lower.

How many payments were issued under this policy in the most recently completed PHA fiscal year?

4

What is the total dollar value of payments issued under this policy in the most recently completed PHA fiscal year?

\$3,202

### 4.b. - Damage Claims (HCV-Tenant-based Assistance)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

Damage mitigation funds can be used to pay a landlord for tenant-caused damages beyond normal wear and tear, unpaid rent, and related court costs more than the tenant's security deposit. Payment is made to a landlord only upon the execution of a subsequent HAP contract. The maximum amount payable under damage claims is the lessor of \$3,000 or the actual cost associated with the vacancy turnover of the subsidized unit. Allowing for damage mitigation funds will increase landlord retention and increase housing inventory. All amounts paid would be amounts above and beyond what is

covered by a tenants security deposit.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Neutral (no cost implications)

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

The damage mitigation funds will continue to the following year unchanged. Much like vacancy payments, money is rarely paid out, however, knowing that it is an available option to property owners, provided them more confidence in leasing

units to voucher holders.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

Does this policy apply to certain types of units or to all units all HCV units or only certain types of units (for example, accessible units, units in a low-poverty neighborhood, or units/landlords new to the HCV program?

Certain types of units only

What is the maximum payment that can be made to a landlord under this policy?

\$3,000. the maximum payment made is the lessor of \$3,000 or the actual cost of vacancy turnover after the tenant security deposit has been applied.

How many payments were issued under this policy in the most recently completed PHA fiscal year?

2

What is the total dollar value of payments issued under this policy in the most recently completed PHA fiscal year?

\$4,500

#### 4.c. - Other Landlord Incentives (HCV- Tenant-based Assistance)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

As these activities are implemented to increase landlord participation in the program, units that are required to house voucher holders such as Project-Based Voucher units, ones with a regulatory agreement on the units, Tax Credit units, or ones owned by the Housing Authority are not included in these activity.

This activity allows the HACSB to pay the landlord an incentive to lease up a Housing Choice Voucher (HCV) program participant. The HACSB would offer an array of incentives, but the total incentive paid to one landlord could not exceed more than one month of the contract rent of the unit and would be paid at the time of HAP execution.

The continuing incentives are:

- a) New landlord bonus: HASCB will pay an incentive of up to \$1000 for new HCV participating landlords.
- b )Referral bonus: A \$250 monetary incentive to any person referring a new landlord to the HACSB's HCV program which results in the lease up of a Section 8 participant. Section 8 participants would not be eligible.

c)Apartment Repair Program: HACSB can provide loans to landlords to help pay for repairs to quickly bring a unit up to HQS standards. The loan would then be repaid over a period of 6 or 12 months with automatic deductions from HAP payments. Loan amounts will be granted up to the lessor of \$2,500 or one-months contract rent. A quote from a qualified contractor or itemized estimate from the landlord is required for loan approval.

d) Subsidized Membership to Santa Barbara Rental Property Association (SBRPA): HACSB will pay a portion of the initial fees for the first year of membership for participating landlords for SBRPA fees. Landlords will gain access to SBRPA legal documents, information on new and existing tenant laws and an attorney. This access makes for generally better-informed landlords who follow rules and regulations and need less guidance from agency staff which ultimately is less of a financial

and resource drain on the agency. Membership subsidy will be in the amount of a time \$100 per landlord.

#### 5.a. - Pre-Qualifying Unit Inspections (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

Initial inspections of units can be conducted up to 90 days prior to unit lease-up to help incentivize landlords to participate

in the program and avoid delays in leasing. Participants or landlords can request a special (interim) inspection at any time.

#### Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Neutral (no cost implications)

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

Landlord recruitment continues to improve. Ability to conduct inspections prior to lease-up avoids lease up delays/decreased rental payments to landlords. The ability of the landlord to be able to submit for special inspections also

assists with their ability to properly manage and enforce lease and program obligations.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

How long is the pre-inspection valid for?

The pre-inspection is valid for 90 days.

### 9.a. - Increase PBV Program Cap (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

There is a large community need for long term affordable housing. While HCV units are a great option for qualified households, project-basing ensures affordability for a much longer duration. HCV clients experience increased rent

portions as the result of property owner issued rent increases. PBV households do not absorb owner increases allowing tenant rent portions to remain affordable. By project-basing additional vouchers, long-term and affordable housing is

secured for additional members of the community.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Neutral (no cost implications)

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

HACSB has entered into 2 PBV agreements to enter into Housing Assistance Payments Contracts this past year which will

create 54 additional affordable housing units.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

What percentage of total authorized HCV units will be authorized for project-basing?

50.00%

#### 9.b. - Increase PBV Project Cap (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

Allows more than 25 unit or 25% of the units at a particular complex to receive project-based voucher assistance. HACSB implemented this activity to allow for up to 100% of a project to receive voucher assistance. This allows for developers of both small and large projects to attach sufficient project-based voucher to a property to make it financially feasible all while

increasing housing opportunities for families.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Neutral (no cost implications)

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

HACSB has entered into two AHAP's. One for 100% of a property. This will secure affordable housing for 47 units of

much needed family housing.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

# 9.c. - Elimination of PBV Selection Process for PHA-owned Projects Without Improvement, Development, or Replacement (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

HACSB will be allowed to award project-based voucher units to properties owned by HACSB, or a single-asset entity of HACSB without engaging in a competitive selection process. HACSB must currently engage in an administratively burdensome process to project-based units that begins with publishing a Request for Proposals (RFP) to solicit applications for any interested property owner. This activity provides flexibility to award PBV vouchers to HACSB owned units with a simplified process of having a Subsidy Layering Review conducted and ensuring the property is compliant with

site selection requirements.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness; Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

The flexibilities of this waiver have not yet been realized. HACSB has not yet sought to project-base units owned by

HACSB or a single-asset entity of HACSB.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

D.	Safe Harbor Waivers.
D.1	Will the MTW agency submit request for approval of a Safe Harbor Waiver this year?
	No Safe Harbor Waivers are being requested.

E.	Agency-Specific Waiver(s).	
	Agency-Specific Waiver(s) for HUD Approval:	
	The MTW demonstration program is intended to foster innovation and HUD encourages MTW agencies, in consultation with their residents and stakeholders, to be creative in their approach to solving affordable housing issues facing their local communities. For this reason, flexibilities beyond those provided for in Appendix I may be needed. Agency-Specific Waivers may be requested if an MTW agency wishes to implement additional activities, or waive a statutory and/or regulatory requirement not included in Appendix I.	
	In order to pursue an Agency-Specific Waiver, an MTW agency must include an Agency-Specific Waiver request, an impact analysis, and a hardship policy (as applicable), and respond to all of the mandatory core questions as applicable.	
E.1	For each Agency-Specific Waiver(s) request, please upload supporting documentation, that includes: a) a full description of the activity, including what the agency is proposing to waive (i.e., statute, regulation, and/or Operations Notice), b) how the initiative achieves one or more of the 3 MTW statutory objectives, c) a description of which population groups and household types that will be impacted by this activity, d) any cost implications associated with the activity, e) an implementation timeline for the initiative, f) an impact analysis, g) a description of the hardship policy for the initiative, and h) a copy of all comments received at the public hearing along with the MTW agency's description of how the comments were considered, as a required attachment to the MTW Supplement.	
	Will the MTW agency submit a request for approval of an Agency-Specific Waiver this year?	
	No Agency-Specific Waivers are being requested.	
	Agency-Specific Waiver(s) for which HUD Approval has been Received:	
E.2	Does the MTW agency have any approved Agency-Specific Waivers?	
	MTW Agency does not have approved Agency-Specific Waivers	

F.	Public Housing Operating Subsidy Grant Reporting.
F.1	Total Public Housing Operating subsidy amount authorized, disbursed by 9/30, remaining, and deadline for disbursement, by Federal Fiscal Year for each year the PHA is designated an MTW agency.

G.	MTW Statutory Requirements.	
	75% Very Low Income – Local, Non-Traditional.	
G.1	HUD will verify compliance with the statutory requirement that at least 75% of the households assisted by the MTW agency are very low-income for MTW public housing units and MTW HCVs through HUD systems. The MTW PHA must provide data for the actual families housed upon admission during the PHA's most recently completed Fiscal Year for its Local, Non-Traditional program households.	

Income Level	Number of Local, Non-Traditional Households Admitted in the Fiscal Year*
80%-50% Area Median Income	4
49%-30% Area Median Income	14
Below 30% Area Median Income	79
Total Local, Non-Traditional Households	97

<sup>\*</sup>Local, non-traditional income data must be provided in the MTW Supplement form until such time that it can be submitted in IMS-PIC or other HUD system.

G.2 Establishing Reasonable Rent Policy.

Has the MTW agency established a rent reform policy to encourage employment and self-sufficiency? No

Please describe the MTW agency's plans for its future rent reform activity and the implementation timeline. HACSB will continue to explore options for implementing an alternative reexamination schedule to triennial reexaminations. We will also continue to review interim reporting requirements. Pending HOTMA related changes have resulted in a pause in implementation of rent reform activities.

G.3	Substantially the Same (STS) – Local, Non-Traditional.
The total number of unit months that families were housed in a local, non-traditional rental subsidy for the prior full calendar year.	30,975 # of unit months
The total number of unit months that families were housed in a local, non-traditional housing development program for the prior full calendar year.	30,729 # of unit months

Number of units developed under the local, non-traditional housing development activity that were available for occupancy during the prior full calendar year:

# G.4 Comparable Mix (by Family Size) – Local, Non-Traditional.

To demonstrate compliance with the statutory requirement to continue serving a 'comparable mix" of families by family size to that which would have been served without MTW, the MTW agency will provide the number of families occupying local, non-traditional units by household size for the most recently completed Fiscal Year in the provided table.

Family Size:	Occupied Number of Local, Non-Traditional units by Household Size
1 Person	3,107
2 Person	1,488
3 Person	1,158
4 Person	1,068
5 Person	845
6+ Person	604
Totals	8,270
