Final plans for the \$2,400,000 Presidio Springs housing development, 102 units to house elderly citizens, go before Department of Housing and Urban Development officials in Los Angeles Friday, and if approval is granted the plans will go out for bid by Jan. 15.

The long-drawn-out procedure for the housing development, which first started seven years ago when voters approved a bond issue to finance some housing, is another step in providing much better for families and individuals of limited income. Years of delays and setbacks over funds for the project, Robert Ferguson, director of the city's housing department, said today.

THE UNITS will be in basic construction with hard floors for apartments for elderly citizens.

Public Housing Work Starts Tomorrow

Ground will be broken tomorrow morning for Santa Barbara's first 42 units of public housing of the 600 units authorized by voters in November, 1968.

The first 42 units include 28 one and two apartment units at Rancho and Rancheria Sts.; five units on a site at San Juan and Micheltorena Streets, and seven units on the 300 block of South Victoria Street.

CEREMONIES

David Watson, Chairman of the Housing Authority; Gerald Firestone, Commissioner; members of the City Council and other officials will attend the ceremonies and

right, and her husband, Nelson Lang, married for more than 40 years, are about to realize a lifelong dream, with the help of the Housing Authority. Charles Lang and Alfred Lang are the father and son of the house project.

WELCOME

2019 MARKED THE 50TH ANNIVERSARY of the Housing Authority of the City of Santa Barbara. In 1969, the Santa Barbara City Council created the Housing Authority of the City of Santa Barbara and appointed its first Commission. Over the ensuing decades, the Housing Authority has grown to become the City's largest provider of affordable housing. Since 1969, our agency has developed and/or secured over 4,000 units of affordable rental housing for Santa Barbara.

We have seen firsthand how critical housing is to families and to communities. The common denominator for any one of us is the need for a safe, decent and affordable place to live. This is a most basic

human right. We realized from the beginning that when we provide housing, we are also providing dignity, hope and opportunity. We hope the timeline highlighting our acquisition and construction of properties over the last 50 years demonstrates our commitment to this cause. This year, our Annual Report highlights this history, as well as some of our most important programs demonstrating "we are more than housing".

Despite our efforts, Santa Barbara, and the nation, continue to face an affordable housing crisis today. Moreover, the lack of affordable housing is not only a problem for low-income residents and for those with special needs, but also for moderate-income working families and young professionals. Much has been accomplished and so much more is to be done, especially to end homelessness. We believe the most important strategy for ending chronic homelessness is as simple as it is effective: provide permanent housing with supportive services to those most in need.

The Housing Authority is both a provider and developer of affordable housing; and in the age of continued cutbacks to Federal Housing programs and increased polarization over the provision of essential safety net programs, the Housing

Authority continues to thrive in crafting and implementing solutions to our community's affordable housing needs. This year we purchased 200 N. La Cumbre, a 1.34 acre parcel, which will be our next affordable housing development endeavor, after we complete the Gardens on Hope project, an 89 unit senior housing development, and Johnson Court, a 17 unit veteran housing development serving homeless Veterans. Both are expected to be completed in early 2020.

One of our biggest accomplishments this past year is completion of a new 5-Year Action Plan for the Housing Authority. We are committed to long range planning that must take place to ensure affordable housing is available to a broad cross-

section of the community, including the homeless. We invite you to read the Plan and our goals at our website.

These 50 years of housing success would not have been possible without the dedication of generations of employees, board members, property owners and the support of the City Council and community members. Looking toward Santa Barbara's next half century, there will be complex housing policy issues for our community to address while preserving the beauty and unique charm of Santa Barbara. Your Housing Authority is committed to being an integral part of implementing these important housing solutions through these policies, so that we continue to have a diverse, inclusive and thriving community.

HOUSING OUR WORKFORCE

509-515 W. VICTORIA ST.

Santa Barbara is suffering from a severe shortage of housing for our workforce, including hospitality professionals, nurses and other medical support personnel, restaurant and office workers, teachers, police officers, firefighters, and public safety professionals—all the moderate-income workers essential to a strong functioning economy. To find affordable places to live, many are forced to commute long distances to and from work.

The Housing Authority's innovative Workforce Housing Program is designed to address the affordable housing needs of our community's low to moderate-income workforce who are increasingly caught in the gap between skyrocketing rents and ineligibility for other assistance.

This year, the Housing Authority expanded its Workforce Housing Program to assist families who make up to 160% of the Area Median Income. For a family of four, this amounts to \$160,480 annually.

THE GARDENS ON HOPE

The Gardens on Hope is modeled after the Housing Authority's highly successful Garden Court on De La Vina, a service enhanced development serving low-income frail seniors with three-meals a day, housekeeping, transportation as well as a host of social programs. It will consist of 89 studio units, one-bedroom manager unit, library, common dining room, community rooms and a host of social programs. The vacant lot was purchased in 2014, we broke ground in August 2018 and expect The Gardens on Hope to be completed in early 2020.

JOHNSON COURT

The Housing Authority purchased 813 E. Carrillo Street in 2017 in hopes of turning the single family home into affordable housing for low-income homeless veterans. The project provides 16 studio units, a two-bedroom manager unit, and common area and office space to accommodate the provision of services and activities on-site. Construction began in the fall of 2018 with completion expected in early 2020.

200 N LA CUMBRE ROAD

The Housing Authority purchased 200 N. La Cumbre Rd. in 2019. The 3.14 acre property includes four professional offices leased to primarily medical tenants. The Housing Authority intends to operate the property as is for the near-term, with the long-term goal of redeveloping the property for affordable housing.

At sixteen years old, Michelle Alba is already an accomplished young woman with a bright future ahead. A dedicated student, she has participated in the Housing Authority's youth program for seven years.

Michelle started attending the programs for youth in the 4th grade soon after moving into one of the Housing Authority's developments. She attended faithfully and benefitted from tutoring and other programs including Girl Scouts and "Everybody Dance Now".

As a teen, Michelle has participated in every program available to her through the Teen Academy and regularly volunteers at Housing Authority events. She observed, "What I like about the teen programs is the variety. I have learned how to get a job, build things and do things that I never thought I would have been able to do! For instance, I was able to learn how to fly an airplane - it's crazy to be able to say that!"

Now a junior at Santa Barbara High School, Michelle is an AVID student. She challenges herself by taking Advanced Placement classes and Dual Enrollment courses at SBCC to earn college credit. She regularly maintains a 4.0 GPA and as for her "next big thing," she plans to attend a 4-year university after she graduates.

Michelle shares "Thanks to Teen Academy, I'm getting to participate in experiences that aren't necessarily available to everyone my age and I'm charting a course for taking flight."

COLLABORATIVE HOUSING

Everyone needs safe, decent, stable housing. For some of the most vulnerable—people with mental illness, chronic health conditions, histories of trauma, and other struggles—a home helps them to get adequate treatment and start on the path toward recovery. But some conditions make it difficult for people to maintain a stable home without additional help. Supportive housing, a highly effective strategy that combines affordable housing with intensive coordinated services, can provide that needed assistance. In recognition of this, the Housing Authority has collaborated with several local agencies to provide supported living situations utilizing Authority developments in a range of bedroom sizes for men, women and children.

2019 HIGHLIGHTS

WORKFORCE HOUSING

The Housing Authority's Commission approved an increase of the income limit for the Workforce Housing Program to 160% Area Median Income, in order to serve the "middle income" workforce.

HOUSING SANTA BARBARA DAY

With a generous donation from Santa Barbara Foundation, the Housing Authority's non-profit, 2nd Story Associates, hosted the 2nd annual Housing Santa Barbara Day to advocate for affordable housing for the community. In addition to the participation of over 30 local agencies, food, music and a visit from the Santa Barbara Fire Department for the kids, new additions this year included trolley tours of affordable housing developments and workshops on Accessory Dwelling Unit Ordinance, Homeownership Programs and Tenant Rights and Responsibilities.

FAMILY RESOURCE FAIR

The Housing Authority hosted its first family-themed fair appropriately named "Healthy Families, Thriving Communities". 40 families attended, 23 community agencies offered family-centered resources, 81 bags of food distributed, and 56 individuals received vision screenings.

VASH VOUCHERS

HACSB was awarded 30 VASH Vouchers this year. The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines Housing Choice Voucher (HCV) rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA).

HIGHER EDUCATION SCHOLARSHIPS

Each year since 1998, the Housing Authority has provided financial aid to affordable housing residents to pursue higher education. For the 2019-2020 school year, scholarships were awarded to students attending colleges including UC Irvine, UC Santa Barbara and CSU Northridge, and all are first-generation college students.

TOOLS FOR SCHOOL

Once again, our local Union Bank made the Tools for School event possible this year. Through their generous gift, over 400 backpacks and school supply kits were distributed to K-12th graders. Many community partners were present to provide resources and information to families, including free vision screenings & fluoride varnishes.

HEALTHY FOOD DISTRIBUTION

The Housing Authority was approved to be a Mobile Food Pantry Site for Foodbank and started hosting monthly distributions this year for Housing Authority clients, most of whom often face food insecurity. It is also an opportunity to connect families with resident services and partnering agencies like the Public Library and Family Services Agency.

PROPERTY ACQUISITION

The Housing Authority purchased an office building on 1.34 acres at 200 N. La Cumbre, the future site of affordable housing, as well as 4 single family homes at 421 N. Alisos St.

SELF-SUFFICIENT FAMILIES

Our Family Self Sufficiency program, which currently has 145 participants, saw eight families graduate this year. They increased their income by a total of \$362,307 over the course of 5 years!

BRING THE VOTE HOME

Our 2nd time partnering with League of Women Voters gathered 16 additional new or re-registered voters on Voter Registration Day.

CORE VALUES

COMMITMENT

We are dedicated to our mission and values with an overall attitude of ownership. We act accountably and productively; we are efficient and responsible. We bring passion and enthusiasm to the work that we do.

COMPASSION

We act in a friendly and respectful way. We practice the human virtues of kindness and forgiveness. We remain open and calm.

COMPETENCY

We are knowledgeable and feel confident about the work that we do. We are creative and courageous, taking on new things and being self-motivated. Our positive and upbeat staff act honestly and morally —with integrity.

COOPERATION

We work together as one team, showing respect and appreciation for each person. We are open and receptive to others' contributions and efforts, and we strive to create and achieve common goals. Humor and happiness are part of our work life.

COMMUNICATION

We strive to understand each other, as well as to be understood. We recognize that effective and professional communication and good listening play an important role in the work that we do, and we endeavor to communicate in an open, direct and honest manner, with each other, and with our clients. We embrace an attitude of helpfulness.
